Welcome to LifeSmarts! We encourage you to learn it, live it! LifeSmarts is a consumer literacy competition that gives students a chance to compete and excel -- while gaining the tools they need to succeed in today's marketplace as consumers. That means being prepared to make smart financial investments and good decisions and avoid the common traps and pitfalls that many consumers encounter in the real world.

By competing in the online competition, Varsity LifeSmarts teams have the opportunity to advance to live state and national competitions. Each April, teams from around the country gather in a major city for four days of exciting competition, and a national LifeSmarts champion is crowned.

Safety Smart Ambassadors

LifeSmarts is partnering with UL to offer teens a way to fulfill community service requirements, mentor children, and earn prizes and scholarships.
