B. NBCE - SPEC Authorization and Transcript Request Form

The Board reviewed the SPEC Authorization and Transcript Request (11/14) form. Dr. Klein informed the Board that this form is a required component of the application for the Special Purposes Examination for Chiropractic “SPEC”. He noted that on the State Board Authorization to take SPEC form, NBCE now offers options up to (0 to 6) additional attempts without an updated authorization.

The question posed to the Board is whether it requires the Board to submit the form with the full six (6) additional attempts to retake the SPEC exam.

Dr. Pleiss asked how the Board could determine how many times or have the authority to qualify who is or is not qualified for the full six additional attempts.

Discussion followed. It was moved by Dr. Pleiss, seconded by Ms. Kang-Kaulupali to defer this matter and have Executive Officer Bhanot contact NBCE for advice on how it views this situation. No action was taken on this motion.

After further discussion, it was moved by Ms. Kang-Kaulupali, seconded by Dr. Redmond, and unanimously carried to delegate to the Executive Officer the authority to enter the appropriate number of attempts after confirmation from NBCE.
