Report:

A. December 2015 Renewals

Executive Officer Bhanot reported the following statistics for the December 2015 Renewals for Chiropractor licenses as of 1/20/2016:

Licenses Eligible for Renewal	639
# of Licenses Renewed	548

# of Licenses Renewed Online	518

% of Licenses Renewed Online 94.5%

Ms. Bhanot informed the Board that the online renewal statistics do not include the active/inactive status change renewal that requires the submission of a hard copy.

Ms. Bhanot also informed the Board that licensees who do not renew their license on time have 2 (two) years to restore their license with proof of 20 hours of CE credits.

Dr. Pleiss inquired as to licensees who renew their license before the expiration date but did not comply with CE requirements.

Ms. Bhanot indicated that those licensees are in violation of the law and will be referred to RICO for investigation.

Ms. Bhanot explained that in some cases, they may apply as an individual and will be credited for the respective hours that the Board approved.

Dr. Klein expressed his concern that very few people are aware of that option. He further indicated that licensees should be educated thru the Professional and Vocational Licensing website on what is available to them.
