2014 Legislative  
Session:

None.

Open Forum:

Dave Rolf, HADA, commented on the following: (a) True Car, National Auto Trader.com and possible legislation; (b) internal auto auctions; and (c) manufacturers and possible legislation.

The Chair acknowledged Mr. Winston Mirikitani, who is the owner of Mirikitani Motors, LLC. Mr. Mirikitani addressed the Board and stated that he was in a desperate situation and was seeking the Board's help.

Mr. Mirikitani stated that he renewed his business license, but forgot to renew his salesperson's license. As a result, he was told that he needs to apply all over again. He stated that he has been a salesperson for over 10 years and just forgot; that he has dementia. He is requesting a temporary salesperson's license.

The Executive Officer stated that Mr. Mirikitani's issue was not on the meeting agenda and could not be discussed. If the Board wished to discuss Mr. Mirikitani's issue, then it needed to be added to the day's agenda.

The Executive Officer explained that in early May blue postcards were mailed to all motor vehicle dealers notifying them of the renewal period, and that they could renew online, in person or by mail. She further explained that if a dealer did not renew on time, by law the license is forfeited and the dealer would have to apply all over again. Also, the renewals of salespersons are dependent on the dealer renewing on time. If the dealer does not renew on time, even though the salespersons have renewed on time, the salespersons licenses would be considered not renewed until the dealer renews his license.

Mr. Mirikitani is requesting a temporary salesperson's license which cannot be granted because he changed his answer in response to the question relating to criminal convictions. The Executive Officer cited to the sunshine law, and again reminded the Board that unless Mr. Mirikitani's issue is added to the agenda, the Board could not continue discussing the issue. She also stated that she was aware of his situation, but could not discuss it because it was not an agenda item and asked the Board if it wanted to go into executive session. Mr. Mirikitani stated that he was okay in discussing his matter in public.

The Board decided to grant Mr. Mirikitani the opportunity to discuss his case. It was then moved by Mr. Touchi, seconded by Mr. Johnsen, and unanimously carried to add Mr. Mirikitani to the day's agenda. The Executive Officer gave a summary of Mr. Mirikitani's background. Mr. Mirikitani's dealer's license is current. The salesperson who works for Mr. Mirikitani, Eric Salkewicz, is licensed.

Mr. Mirikitani's salesperson's license was forfeited 7/1/2014 because he failed to renew it. He cannot get a temporary license because he changed his answer from a yes to a no relating to the question on convictions. He wants his salesperson's license because Mr. Salkewicz is on vacation.

At this point, it was suggested that the Board go into executive session, but Mr. Mirikitani said that he was okay to talk about his situation in public.

Mr. Mirikitani explained that his conviction was a federal conviction so it did not show up on the Hawaii Criminal Data Base. He lost his law license and was sentenced to four years in jail. He was a salesperson for over 10 years.

After hearing the Executive Officer's summary of Mr. Mirikitani's situation, and Mr. Mirikitani's explanation of his situation, the Board decided to go into executive session.

At 10:06 a.m., it was moved by Mr. De Luz, seconded by Mr. Touchi, and unanimously carried to enter into Executive Session to consider and evaluate personal information relating to the individual applying for licensure in accordance with Chapter 92-5(a) (1), and to consult with the Board's attorney on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities in accordance with Chapter 92-5(a) (4), Hawaii Revised Statutes.

#### EXECUTIVE SESSION

At 10:55 a.m., it was moved by Mr. Johnsen, seconded by Mr. Touchi, and unanimously carried to return to the Board's regular order of business.

#### Winston Mirikitani – Motor Vehicle Salesperson

After discussion, it was moved by Mr. Touchi, seconded by Mr. Johnsen, and carried by majority vote (De Luz/nay) to approve the salesperson's license for Mr. Mirikitani, subject to Mr. Mirikitani submitting a written explanation as to why he changed his answer from yes to no when answering the question relating to criminal convictions, and that his written explanation must match his verbal explanation to the Board. Any deviation will prevent a license from being issued.

Mr. De Luz dissented saying that there is a process; applicants must comply with the administrative process to allow for order and no disruption of the normal workflow.

The Executive Officer told Mr. Mirikitani that that she will write him a letter explaining what he needs to provide the Board.

Chairperson Uhmbau announced that the Board would return to the order of the agenda.

Chapter 91, HRS  
Adjudicatory  
Matters:

The Chairperson called for a recess from the meeting at 9:56 a.m. to deliberate on the following adjudicatory matter, pursuant to Hawaii Revised Statutes (“HRS”) Chapter 91.

In the Matter of the Motor Vehicle Salesperson’s License of NATHANAEL L. ROBERTS, Respondent; MVI 2012-54-L – Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board’s Final Order

Deputy Attorney General Tam summarized the above matter and a brief discussion followed.

After discussion, it was moved by Mr. Touchi, seconded by Mr. Johnsen (Mr. De Luz recused himself), and unanimously carried to approve the settlement agreement in which:

1. Respondent admits to having violated HRS §436B-19(2) in incorrectly answering the question relating to criminal convictions on his initial license application of April 6, 2012, and enters into this settlement strictly as a compromise and in order to conserve on the expense of proceeding with an administrative hearing.
2. Respondent agrees to the voluntary revocation of Respondent’s license and agrees not to seek restoration of his license or seek a new motor vehicle salesperson’s license in the future. Respondent expressly waives his right to reapply for a motor vehicle salesperson’s license in the future.

The revocation shall become effective immediately upon the approval of this Settlement Agreement by the Board. Respondent shall turn in all indicia of the license within ten (10) days after receipt of notice of approval of this Settlement Agreement. Respondent understands Respondent cannot apply for a new license until the expiration of at least five (5) years after the effective date of the revocation. Respondent understands that if Respondent desires to become license again, Respondent must apply to the Board for a new license pursuant to and subject to HRS §§92-17, 436B-21, and all other applicable laws and rules in effect at the time.

If Respondent fails to fully and timely comply with the terms of this Settlement Agreement, Respondent’s license shall be automatically revoked upon RICO’s filing of an affidavit with the Board attesting to such failure. In case of such revocation, Respondent understands Respondent cannot apply for a new license until the expiration of at least five (5) years after the effective date of the revocation. Respondent understands that if Respondent desires to become licensed again, Respondent must apply to the Board for a new license pursuant to and subject to HRS §§ 92-17, 436B-21, and all other applicable laws and rules in effect at the time.
