The Executive Officer further explained that the temporary licenses were issued in error; that applicants failed to complete certain portions of the applications, make payment or sign the application forms. As a result of the Board's June 24, 2014 discussion, the Executive Officer was directed to write a letter to each of the applicants, with a copy to the motor vehicle dealer, instructing the applicants to provide the information needed in order to complete their applications within fourteen days or their temporary licenses would be terminated on the fourteenth day.

The Executive Officer reported that letters were sent to each of the applicants with a copy to the motor vehicle dealers. The deadline to respond was July 10, 2014. New Business:

- (a) September 11, 2014 Request from Jeffrey P. Miller, Esq. for Clarification Regarding Which Authority a Motor Vehicle Manufacturer is Issued a Statewide License
- (b) October 10, 2014 Request from Corianne Lau, Esq. and Michelle N. Comeau, Esq., for the Board to Consider Adding Language to the Motor Vehicle Manufacturer's Licenses that State "Valid in all Counties"
- (c) October 20, 2014 and August 19, 2014 Request from Corianne Lau, Esq. and Michelle N. Comeau, Esq., on Behalf of Champion Bus, Inc. for an Informal Interpretation Regarding the Licensing of Motor Vehicle Manufacturers on a Statewide Basis or County-by-County Basis

Jeffrey Miller, attorney for Soderholm Sales & Leasing, appeared before the Board and gave a brief summary of Soderholm's lawsuit against Champion Bus, Inc. ("Champion"). Mr. Miller stated that the lawsuit was filed because Champion, which is licensed on Kauai, was selling buses in Honolulu.

An issue arose in the case regarding whether Champion's manufacturer license is statewide because HRS sections 437-2 and 437-7 state that "a motor vehicle dealer, salesperson, auction, manufacturer, or distributor" must obtain a license "to engage in the business or activities permitted by the license, only in the county for which the license is issued".

Mr. Miller requested for the Board to clarify whether a manufacturer can obtain a statewide license, and if so, the authority for it and how manufacturers can obtain a statewide license. He further cited §16-86-6, HAR.

At 10:24 a.m., it was moved by Mr. Touchi, seconded by Mr. Johnsen, and unanimously carried to enter into Executive Session to consult with the Board's attorney on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities in accordance with Chapter 92-5(a) (4), Hawaii Revised Statutes.

EXECUTIVE SESSION

At 10:40 a.m., it was moved by Mr. Johnsen, seconded by Mr. Touchi, and unanimously carried to return to the Board's regular order of business.

After discussion, it was moved by Mr. Touchi, seconded by Mr. Johnsen, and unanimously carried to defer Board action on the above requests and to request the Deputy Attorney General to research the matter and report back at the next meeting.

Ms. Lau appeared before the Board to discuss the following issues:

- (b) October 10, 2014 Request from Corianne Lau, Esq. and Michelle N. Comeau, Esq., for the Board to Consider Adding Language to the Motor Vehicle Manufacturer's Licenses that State "Valid in all Counties"

In its letter dated October 10, 2014, Ms. Lau, on behalf of Champion, is requesting the Board to consider adding language to all motor vehicle manufacturer's license certificates and/or manufacturer's license pocket cards to read "valid in all counties".

Ms. Lau believes that by adding this language it will prevent confusion, and the expenditure of funds. She added that doing so would be consistent with the laws and regulations of the State.

(c) October 20, 2014 and August 19, 2014 Request from Corianne Lau, Esq. and Michelle N. Comeau, Esq., on Behalf of Champion Bus, Inc. for an Informal Interpretation Regarding the Licensing of Motor Vehicle Manufacturers on a Statewide Basis or County-by-County Basis

Ms. Lau requested the Board to issue an informal interpretation of the rules governing vehicle manufacturer licenses. She sought clarification of §437-2, HRS. She added that the Board has been issuing manufacturer/distributor licenses beyond its authority; however, the Board has the authority in accordance with §437-6, HRS, in that there is no provision within the law that prohibits the Board from licensing manufacturers/distributors on a statewide basis.

Ms. Lau explained that because Champion's license does not specify a county, plaintiff claims that the license is inadequate and it cannot do business in Hawaii.

Ms. Lau stated that a law section was misstated in her letter as HRS section 436-6 but should be 437-6.

Mr. Miller, attorney for Soderholm, asked that the Board look at its rules and suggested notifying the manufacturers to list the counties in which they want to be licensed in accordance with HAR §16-86-6(b).

Dave Rolf was asked to provide historical information about the intent of the law.

Mr. Rolf stated that HADA is looking at the ramifications of this matter regardless of the Board's decision. He stated that when HADA urged the legislature to bring back oversight of manufacturers and distributors, there was no consideration given to whether the license would be statewide or countywide.

Open Forum: Dave Rolf reported on the following:

- (1) He will be meeting with DMV on streamlining the process for new and used vehicles, titling and registrations.
- (2) He mentioned that there would be a press release regarding an action stemming from the franchise law.

Next Meeting: Tuesday, December 9, 2014
9:00 a.m.
Queen Liliuokalani Conference Room
335 Merchant Street, 1st Floor
Honolulu, HI 96813

Copies of the 2015 meeting schedule were given to members for their information.

Adjournment: There being no further business to discuss, the meeting adjourned at 10:57 a.m.
