GENERAL PROVISIONS

§16-74-1 Purpose. These rules, adopted by the boxing commission, hereafter referred to as "commission", are intended to clarify and implement chapter 440 of the Hawaii Revised Statutes, to the end that the provisions thereunder may be best effectuated and the public interest most effectively served. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)
§16-74-2 Policies. The commission, recognizing that no set of rules can be drawn which will cover all circumstances, reserves the right to rule upon all questions not specifically covered in these rules. The commission, feeling that boxing is primarily a sport and that all boxing contests should be conducted in a sportsmanlike manner, has adopted the policy to insist at all times that sportsmanship shall prevail. Recognizing that professional boxing has the element of business, it is its policy that all matters particularly pertaining to professional boxing shall be conducted in such a manner that it shall coincide with the ethical code of honest business.

Accordingly, the commission frowns upon all acts which, while they might be construed legal under the letter of the law or rules, violate the spirit of fair play and honesty. It reserves the right at all times to rule in accordance with this stated policy. In case of violation of the rules and/or orders of the commission, or in case of failure to fulfill the conditions of any contract and/or agreement, the commission may suspend or revoke any consent, license or authority granted to any person to further participate in any manner in any boxing exhibition or contest, whether as manager, promoter, contestant or otherwise. No licensee shall use ignorance of rules of the commission as a defense. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-3 Office of commission. The office of the commission shall be located in Honolulu. The office hours shall be in accordance with the established hours of the State government. All filings shall be at the office of the commission. All papers filed shall be the property of the commission. Meetings of the commission will be held at such times and places as the commission may designate. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §§80-1, 440-4)

§16-74-4 Additional powers of commission. (a) Discipline. Nothing in these rules shall be deemed to define or restrict the powers of the commission in disciplining, penalizing or controlling any person, club, corporation or association under its jurisdiction for a violation of the letter or spirit of the laws, orders, and rules as it may determine by particular action in any situation that may arise.

(b) Delegation. In addition to the commissioners and their representatives, who shall have full power to act and do all things upon behalf of the commission at any and all contests, or exhibitions, the commission may designate, in writing, representatives to act specifically upon behalf of the commission, but only within the scope of their written authority.
(c) Any commissioner or authorized representative of the commission in attendance upon and supervising a contest, or exhibitions, has the full power of the commission in the enforcement of the rules of the commission. The commission or its representatives shall have the power to decide all questions, the answers to which are not covered by these rules or by the provision of chapter 440, HRS. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-5 Licenses and permits. (a) Christmas day. No license or permit shall be issued to any person or organization to hold or give any boxing contest or exhibitions on December 25th.

(b) Application examination. Before acting upon an application for a license or permit, the commission may, at its discretion, examine under oath, the applicant and other witnesses.

(c) Permit. Any organization or person holding an annual state promoter’s license must obtain a separate permit or sanction from the commission before holding any specific boxing contest.

(d) Open date. No license to hold boxing contests will be granted for any year during which there are no open dates for the holding of boxing contests in the County or City and County where it is contemplated to hold boxing contests.

(e) Authorization. No person, corporation or organization of any nature whatsoever shall hold any boxing contest excepting at a time and place previously authorized by the commission.

(f) Fee. All annual fees for licenses shall be payable in advance before the issuance of any license. The fees shall not be apportioned for fraction of a year. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §§440-9, 440-10, 440-11, 440-14)

He shall have direct supervision over all boxing clerks, officials and inspectors and shall organize their work and outline their duties. He shall also administer the distribution of commission tickets, and arrange ringside or apron seating.

(b) Confidential records. The executive secretary shall, under the direction of the commission, select and assign inspectors, referees and judges for all bouts. Deputy commissioners on the outside islands, however, may designate the ring officials whenever deemed advisable. The executive secretary shall maintain a record of all assignments, giving complete data relative to the number of shows worked, amount of money earned, reasons for any inspector, referee or
judge not receiving his normal share of work, and any other information helpful
to the commission in maintaining proper routine and records. This record shall
be for the confidential information of the commission and shall not be open for
inspection by anyone without the express consent of the commission.

The physician shall not leave until after the decision in the final bout.  He shall be prepared to assist if any serious emergency shall arise and shall render temporary or emergency treatments for cuts and minor injuries sustained by the contestant. SUBCHAPTER 7

**REFEREES**

§16-74-106  **Written examination.** An applicant for a referee’s license must first take and successfully pass a written examination given by the commission, with a minimum grade of 75 before their applications will be considered. Examinations will be given to applicants for referee’s licenses at such times as may be decided upon by the commission. Persons desiring to secure referee’s licenses may apply to the commission for permission to take the stated examination. If the applicant successfully passes the examination he may then apply to the commission to grant him a license. However, passing the examination does not necessarily mean that a license will be granted by the commission. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-107  **Reporting time.** All referees, judges and other officials shall report at least thirty minutes before the start of any boxing show, at which time the referees and judges shall be selected to officiate at any contest. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)
§16-74-108  **Physical examination.**  (a) Annual. All referees must take and pass an annual physical and eye examination similar to that given to all applicants for boxer’s licenses.

(b) Regular. They shall, before officiating in any contest, report to the commission’s physician who shall examine them if he feels there is any question as to their physical condition. If, in the opinion of the commission physician, the referee appears to be physically or otherwise incapacitated, the physician shall immediately report the findings to the commission or representative of the commission in charge, and the latter shall take appropriate action to replace the referee. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-12)

§16-74-109  **Chief official.** The chief official of contests shall be the referee who shall have general supervision over bouts and shall take his position in the ring. No person other than the contestants and the referee may enter the ring during the process of a round. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-110  **Uniform.** Referees shall wear gray trousers and short sleeved, gray shirt with black bow tie and boxing shoes. [Eff 10/2/81; am and comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-111  **Number.** When deemed advisable by the commission a different referee may be designated for the preliminaries, semi-final or main event. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-112  **Rules observed.** All referees will be held to strict observance of the rules while working in bouts. Failure to comply therewith shall necessitate immediate removal from the ring by the commission and cause the referee to be subject to suspension or license revocation. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-113  **Dressing room visitation.** All referees shall visit the dressing rooms prior to the beginning of the show to give preliminary instructions and review rules with participating boxers and managers. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)
§16-74-114 Instructions. The referee shall call contestants together before each bout for final instructions, at which time each contestant shall be accompanied by his chief second only. The principals, after receiving instruction, shall shake hands and retire to their corners. They shall not again shake hands until the beginning of the last round. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-115 Use of vaseline. The referee shall inspect the boxers and the gloves and make sure that no foreign substances have been applied to either gloves or the bodies of boxers to the detriment of an opponent. The use of a reasonable amount of vaseline or similar compound on the face is permitted. They may not be used on the hair, body or gloves. The referee will be the judge as to reasonable amount. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-116 Protection cup used. The referee shall examine all contestants and see that they are wearing protection cups. If it is found they are not wearing protection cups, they shall not be allowed to participate. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-117 Powers. The referee shall declare the contest terminated when:

1. A boxer is knocked down and is unable to arise within a period of ten seconds.
2. In his opinion, a boxer is unable to properly defend himself and there is danger of serious injury.
3. A chief second considering his boxer in danger of being seriously injured through continuation of the contest may throw a towel into the ring as a token of accepting defeat and immediately enters the ring, thus accepting responsibility for stopping the contest and causing his boxer to be automatically disqualified. Only a chief second may take this action. Should any other second enter the ring during the round, he shall be ejected and the referee may order the contest continued.

If the referee, in his opinion, feels that the contest should go on after the chief second has thrown in the towel, he may order the contest to continue. If the chief second still insists that the contest
be stopped and refuses to leave the ring, the referee shall stop the contest and file a written report on the actions of the chief second.

(4) In his opinion, after consulting the commission’s physician, a boxer has received an injury such as a cut or an injury to the eye, or other injuries, which may result in serious consequences if the contest is allowed to continue.

In all cases under paragraph (1) in which the referee stops the contest, he shall declare the contest won by a KNOCKOUT. In cases provided for in paragraphs (2), (3) and (4) the referee shall declare the contest won by a TECHNICAL KNOCKOUT. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-118 Injury. In cases where a boxer shall receive a cut eye or any other injury which the referee may believe shall incapacitate the boxer, the referee shall call into the ring the commission physician for examination of the boxer before the referee shall render his decision in the matter. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-119 Stalling. The referee shall stop a contest if in his judgment there is stalling or faking by either or both contestants, or if there is collusion affecting the result, in which case he must recommend the purse or purses of the offending boxer or boxers forfeited. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-120 Foul penalty. The referee may penalize any contestant who fouls his opponent during a contest, by charging such contestant with loss of points, whether the foul or fouls be intentional or unintentional. The referee shall use his own discretion in determining the number of points, if any, chargeable against the contestant in each instance, depending upon the severity or harmlessness of the foul and its effect upon the opponent. The referee shall indicate on the official score card supplied by the commission the number of points taken away from a contestant in any and all rounds in which he may find it necessary to charge the contestant with such loss. The referee shall, at the conclusion of each round, notify the judges and commission representative of the number of points to be deducted in accordance with his determination. (a) Persistent fouling. Persistent fouling by a contestant requiring cautioning by the referee shall be noted on the referee’s score card and called to the attention of the
commission for appropriate punishment. Intentional fouling shall be cause for disqualification.

(b) Low blows. All contracts for boxing bouts now include the following paragraph:

"The boxer agrees to equip himself with an abdominal guard of his own selection, type to be approved by the commission, which will obviate the necessity of any claims being made for low blows during the contest. It is expressly understood that this contest is not to be terminated by a low blow, as the protector selected by the boxer is, in his own opinion, sufficient protection to withstand any so-called low blow."

In connection therewith, referees are instructed to count boxers out who fall to the floor claiming foul as a result of a low blow because of the fact that they are now equipped with a protector of their own selection which they agree is of "sufficient protection to withstand any so-called low blow."

(c) Intentional. If, by reason of any foul committed intentionally during a contest, an opponent shall be rendered incapacitated or unfit to continue, the contest shall be terminated by the referee and the incapacitated contestant shall be declared the winner if, at the termination thereof, he shall actually be ahead on points. The referee shall, in such event, recommend that the purse of the offending contestant be withheld from payment, for disposition by the commission, and such offender shall be subject to a fine, suspension or other punishment, as may be determined by the commission upon a full hearing thereof.

Termination. If the incapacitated opponent referred to in the preceding paragraph shall not be ahead on points, the contest shall, nevertheless, be terminated, no decision shall be rendered by the referee and he shall order the purses of both contestants withheld from payment; a full report shall be made by the referee to the commission and delivered to the executive secretary or inspector assigned or on duty, who shall present such report immediately to the commission; a hearing shall be held by the commission and the disposition of the proceeds of the purses and the fines and penalties and other punishment may be assessed as the commission in its judgment may deem expedient.
(d) Unintentional or accidental. In the event of an unintentional or accidental foul (except as provided in these rules) other than low-blow fouls, rendering an opponent incapacitated or unfit to continue (in the opinion of the referee), the contest shall be terminated and the decision awarded to the incapacitated boxer, but the referee shall recommend payment of the purses of both contestants be withheld; the referee shall make a full report thereof, as is otherwise indicated herein, and the matter shall be heard by the commission and be disposed of as the commission may in its judgment deem expedient, including the right on the part of the commission to order a rematch between the opponents at some future date, without further payment to them, or either of them.

If a bout is stopped because of accidental or unintentional fouling the referee shall determine whether the boxer who has been fouled can continue or not, and if his chances have not already been seriously jeopardized as a result of the foul, the referee may order the bout continued after a reasonable interval; the timekeeper shall be notified by the referee of his action.

(e) Referees are hereby required to report to the commission repeated or persistent intentional or unintentional fouling by any contestant, in which the commission may order a hearing and subject the offending contestant to punishment as may be appropriate under the circumstances, including a fine or suspension, or both. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-121 Accidental butting. If an accidental butt occurs during a contest, the referee shall immediately warn the boxers in such a manner that everyone present may know what had transpired and deduct points for the offense. When a boxer receives a cut from an accidental butt, the referee shall halt the contest immediately and examine the cut to see whether the contest should be stopped. If the contest is to continue, the referee shall deduct points for the offense and notify the judges to do likewise. If the contest is permitted to continue, and the boxer who received the cut suffers further punishment, causing the cut to bleed so that the contest must be stopped, the decision shall be awarded to his opponent on a TKO-I ("I" denotes "Injury"). If a boxer is accidentally butted by an opponent and is so injured by the butt that he cannot continue, the referee shall stop the contest and:

(1) Award the contest to the offended boxer, if he is ahead on points at the time the contest is stopped; or
(2) Call the contest a draw, if the offended boxer is behind in points at the time the contest is stopped.

(3) If the boxer who is guilty of accidental butting is so injured that he cannot continue, the referee shall declare his opponent the winner. This rule applies only to accidental butting. Intentional butting is a foul and shall be penalized as such. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-122 Judgment. The referee shall use his discretion in deciding any matters that may come up during a contest which are not covered by these rules. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-123 Body contact. The referee shall not touch the contesting boxers except on failure of either or both to obey his command to "break". Failure on the part of the referee to observe this rule may result in his being penalized in whatever manner the commission may deem appropriate. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-124 Disqualification. A contestant who goes down without being struck, and stays down, shall be disqualified, the referee shall render no decision, and his purse shall be turned over to the commission for disposition and other appropriate action. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-125 Between rounds. No contestant shall leave the ring during any one minute rest period between rounds; should any contestant fail or refuse to resume boxing when the gong sounds denoting the commencement of the next succeeding round, the referee shall count out such boxer; if any contestant is physically incapacitated or is unable to continue after the conclusion of any one round, his failure to reenter after the gong has sounded shall be a token of defeat and the referee shall award the decision to his opponent unless the circumstances indicate to the referee requirement for investigation or other punitive action, in which event the referee shall recommend the purse or purses of either or both boxers be withheld and he shall make a full report containing recommendations to the commission. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)
§16-74-126 Count. Should a contestant who is "down" arise before the count of "ten" is reached, and goes down again immediately without being struck, the referee shall resume the count where it was left off. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-127 Proper termination. Should a contestant finish any one round of a contest and fails for any one of numerous reasons, such as cuts, injuries or admissions of overwhelming superiority, to answer the bell for the succeeding round, the proper termination of the bout is by a technical knockout in the round for which he failed to answer the bell. For instance, both contestants have finished round six. One of them fails to answer the bell for round seven, or indicates to the referee that he will not answer the bell. It is a "TKO-7". Indeed the man should be regarded as technically counted out while seated in his corner just as if the bell had sounded for the seventh round. Certainly he completed round six and cannot, therefore, be credited with a loss in the sixth. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-128 Wipe gloves. Before a boxer resumes boxing after having been knocked down or having fallen or slipped to the floor, the referee shall wipe any accumulated resin from the boxer's gloves with a damp towel or on his shirt. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-129 Score cards. The executive secretary or inspector shall, before the start of each contest, issue to the referee, if appropriate, and judges a regulation score card. The referee and judges shall score each round of the contest on the cards and sign them. Score cards of the referee and judges must be delivered to the head scorer or inspector by the referee immediately after scoring each round. The head scorer shall then transmit the officials' scores to a master score card and keep a running score as the contest progresses. At the end of the contest the head scorer shall carefully tabulate the scores of each official and after determining the winner by virtue of the scores of the officials, the head scorer shall notify the referee of the winner. The head scorer or inspector may then show the cards to accredited press representatives. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-130 Scoring system. Referees, who judge contests, shall determine the winner through the use of a ten-point "must" system, under which each round
§16-74-131  Method of counting.  (a) In case of a knockdown the timekeeper shall immediately start counting off the seconds over the P.A. system. The timekeeper shall continue his count until the count of eight has been given. The referee, after directing the opponent to a neutral corner, shall pick up the count from the timekeeper as soon as possible and shall audibly continue the count, marking off the passing seconds by the downward motion of his arm, indicating the end of each second, until the count of eight is completed or until the boxer has been counted out at the end of ten seconds, or the bell ending the last scheduled round has sounded.

(b) If the contestant taking the count is still down when the referee calls the count of "ten", the referee shall wave both arms to indicate that the contestant has been knocked out and shall raise the hand of the opponent as the winner.

(c) If the round ends during the count, the timekeeper shall sound the gong, thus indicating the termination of the three-minute round. However, the contestant who is down will continue to be counted out unless it is the last scheduled round of the bout. A contestant can only be saved by the bell in the last scheduled round. [Eff 10/2/81; am 12/8/86; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-132  Out of ring.  (a) Count. If a contestant falls or is knocked out of the ring during a contest, the referee shall use his discretion in starting to count over the fallen boxer, giving the boxer a reasonable time to reenter the ring before starting to count.

A contestant who falls or is knocked out of the ring may not be assisted beyond the apron of the ring. The apron of the ring is that portion of the ring platform extending outside the ropes.

(b) Opponent. When a boxer has fallen through the ropes, the other shall retire to the farthest corner and stay there until the count is completed or his opponent is on his feet in the ring.

(c) Deliberate. A contestant who deliberately wrestles or throws an opponent from the ring, or who hits him when he is partly out of the ring, and prevented by the ropes from assuming a position of defense shall be adjudged
guilty of a major foul, and be disqualified, and in addition may be fined. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-133 Serious injury. In case of serious injury to a contestant, the referee shall be automatically under suspension until investigation by the commission establishes whether the injury was the result of negligence or incompetence on the part of the referee, or circumstances not reasonably within his control. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-12)

§16-74-134 Rules familiarization. Any referee failing to familiarize himself with the rules and to properly enforce them is subject to permanent suspension. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-135 Report. (a) General. A referee shall submit a report of any and all contests which he referees, including therein any matter involving disregard of the rules or the law and any recommendation relative to fines or suspensions of violators. This report must be filed immediately after working his share of contests.

(b) Stopped bout. All referees must fully and explicitly describe the circumstances in which any bout is stopped on account of a technical knockout. The referee’s report must contain the exact reason for his actions in awarding the decision to the winners as a result of a technical knockout. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-136 Sham or fake bouts. (a) Duty. Every referee is required to warn competing boxers of his power to recommend the forfeiture of purse or purses, should there be any apparent cause for such warning.

(b) Decision. In any case where the referee decides that the contestants are not honestly competing and that under the law their purses or the purse of either contestant should be forfeited, the BOUT MUST BE STOPPED BEFORE THE END OF THE LAST ROUND, AND NO DECISION SHALL BE GIVEN. A contestant earns nothing and shall not be paid for a contest in which there is stalling, faking or dishonesty or collusion. The commission shall have the power, independently of the referee or his decision, to determine the merits of any contest, and take whatever action it considers proper. In any such case the
executive secretary or commissioner may order the purse of the offender held up for investigation and action. This is a condition an applicant for any license must agree to in the securing of any license in the State of Hawaii.

(c) Count. As counting a boxer out, or disqualifying one of the contestants for fouling, is held to be in effect giving a decision, in case the referee decides that one or both of the contestants are not honestly competing, and that the knockdown is "a dive" or the foul a prearranged termination of the bout, he SHALL NOT FINISH THE KNOCKDOWN COUNT OR DISQUALIFY FOR FOULING OR AWARD DECISION TO OPPONENT, but shall stop the bout and order the purses of both boxers held pending investigation by the commission. The announcer or referee shall so inform the audience, particularly, that no decision has been rendered. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-22)

§16-74-137 Decision. A decision rendered at the termination of any boxing contest cannot be changed except as follows: Should the commission at any time following the rendering of a decision, determine there was collusion affecting the result of any contest, or an error in computing score, or a rule error on the part of a referee, such decision shall be changed as the commission may direct. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-138 Abuse. Any licensee of this commission who verbally or physically abuses a referee shall be suspended, and shall be permanently disbarred for any subsequent offense. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-139 Unfair practices. Referees will not permit unfair practices that may cause injury to a contestant, and are held strictly responsible for enforcing these rules. The only fair blow is a blow delivered with the padded knuckles. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-140 Holding and hitting. Holding with one hand, especially back of the neck, and hitting with the other is classed as a major foul. Referees must warn offenders that this type of foul will not be tolerated and will be strictly penalized. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)
§16-74-141  **Kidney punch.** The kidney punch, which is an illegal blow landing on that part of the back near the spine and over the kidneys, is strictly barred because it may produce permanent injury. Failure by the referee to prohibit the use of this blow may result in the suspension of the referee. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-142  **Pivot punch.** The pivot punch, which is barred, is a blow delivered by whirling around and striking at an opponent with the side or back of the hand or the wrist. The half-pivot, or backhand blow, also barred, is struck by bringing the hand back after missing, and so landing with the side or back of the hand, with the chance of making it a blow with the wrist. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-143  **Rabbit punch.** A rabbit punch is any blow struck at the back of the neck near the base of the skull, and is barred as dangerous. A blow landed on the head behind the ear, or on the side of the neck, as the opponent turns his head to avoid it, is not a rabbit punch. Any deliberate attempt to use the rabbit punch must be penalized. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-144  **Butting.** Butting with the top or side of the head is not allowed. A boxer who goes in head down and leans against an opponent with his head while infighting is butting. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-19)

§16-74-422 Seeding. In championship meetings, seeding is permitted. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)
§16-74-426 Number. There shall be two or three judges for each bout, who shall sit at opposite sides of the ring. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-20)

§16-74-427 Scoring. Each judge shall reach his decision without conferring in any manner with any other official or person. The judges shall make out a score card to the best of their knowledge and ability and in accordance with the provisions of these rules. Points for each round shall be awarded immediately after the termination of the round. At the end of the contest a decision shall be written on the score card. The score card shall be signed by each judge. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-428 Referee’s score. The referee shall score in the same manner as the judges, and his score shall be included with the score of the judges in determining the winner. When three judges are used, the referee does not score. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-429 Scoring method. At the end of each round, the better boxer receives twenty points, and his opponent proportionately less. If the round is even, each boxer receives twenty points. No fractions of points can be given. The judge shall award his decision to the boxer, who at the end of the contest, has the highest total, write his decision on the score card, and hand it to the referee or announcer. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-430 Decision. A winner shall be declared in all tournaments, but in matched contests where both contestants have an equal number of points, a draw shall be given. If at the end of the contest in tournaments, both boxers have an equal number of points, the judges’ decision shall be given to the boxer who has done most of the leading off, or who has shown the better style. 2. Defense. Credit shall be given for successfully avoiding blows, so that the attack of the opponent misses.

3. Tactics. Attacking and tactics shall be considered at the end of each round when awarding the points for the round.

4. Fouls. Foul blows shall not be counted in awarding points for hits. If the referee warns one of the competitors for a foul, the judges shall award points to the other competitor. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

SUBCHAPTER 30

PRECAUTIONS-AMATEUR SHOWS

§16-74-435 Physical condition. One of the most important duties of a referee is to observe carefully the physical well-being of a boxer. If a contest becomes too one-sided and one of the contestants is receiving unnecessary punishment by reason of the superiority of the other, or, if in the opinion of the referee, one of the contestants by reason of the punishment which he received, is unable to emerge the victor in a contest, the contest shall be stopped in favor of the superior boxer in order, and only in order, to prevent unnecessary punishment likely to produce great bodily harm or injury. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-436 Bleeding. If a boxer receives an injury causing blood to flow, the contest cannot be interrupted for the purpose of stopping the flow of blood unless, in the opinion of the referee, the injury is such as to render the injured person incapable of going on. If the second cannot stop the bleeding during the one minute rest period, and if in the opinion of the referee, the boxer may be suffering pain which puts him at a physical disadvantage, or is likely to be seriously injured, he should stop the contest without hesitation, notwithstanding the boxer may want to continue. The decision as to whether a boxer is unfit to continue remains exclusively with the referee, who should, if necessary, seek the opinion of the attending physician. The referee has the right, after consideration of the
situation, to stop the contest, but at the same time it is his duty to see to it that the
injured boxer, or the apparently weaker man, is not robbed prematurely of his
chance of victory. [Eff 10/2/81; am and comp 10/5/91] (Auth: HRS §440-6)
(Imp: HRS §440-9)

§16-74-437 Physician’s advice. If the advice of the physician is sought or
invited and his advice is that an injured boxer should not continue, the referee
shall strictly abide by such opinion and halt the contest and award the contest to
the winner. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS
§440-9, 440-12)

§16-74-438 Judges’ opinion. In doubtful cases, where the referee could not
see what took place, he may, before deciding, ask the opinion of the judges. In
that case the round shall be stopped and the time taken out, and he must
immediately demand the opinion of the judges. After having received the opinion
of the judges, he shall either stop the contest and announce the result, or
immediately cause the round to continue. [Eff 10/2/81; comp 10/5/91] (Auth:
HRS §440-6) (Imp: HRS §440-9)

SUBCHAPTER 31

§16-74-442 Sanctions. Sanctions shall be granted for contests in tournaments
of three rounds of not more than three minutes’ duration, or for contests not to
exceed four rounds of two minutes’ duration. In any case the interval between
each round shall be one minute. Amateur championships shall be three rounds of
three minutes each. [Eff 10/2/81; am and comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-443 Decision. When sanctions are granted for tournaments, the number of rounds to be contested and the duration thereof shall be announced on the entry blank and program. At the conclusion of the last round, the judges and referee must make a decision in favor of one of the contestants, which decision shall be final. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

§16-74-444 Suspension. Any boxer who competes in an amateur boxing contest of a longer duration than is permitted by this subchapter shall be suspended for such period as the commission shall decide. [Eff 10/2/81; comp 10/5/91] (Auth: HRS §440-6) (Imp: HRS §440-9)

SUBCHAPTER 32

§16-74-447 Kinds of decisions.
(1) Win by "knockout". A competitor is knocked out if he refuses or is unable to continue the contest before the referee’s count of ten.
