Dustin L. Boyer, M.D.

After due consideration of the information received, it was moved by Dr. Desai, seconded by Chair Takanishi, and unanimously carried to approve Dr. Boyer's application for licensure subject to certain conditions, basing it on the following grounds of the Hawaii Revised Statutes ("HRS"), which find support in the records and files of Dr. Boyer's application:

- HRS § 436B-19(3): Being addicted to, dependent on, or a habitual user of a narcotic, barbiturate, amphetamine, hallucinogen, opium, or cocaine, or other drugs or derivatives of a similar nature;
- HRS § 436B-19(7): Professional misconduct, incompetence, gross negligence, or manifest incapacity in the practice of the licensed profession or vocation; and
- HRS § 436B-19(9): Conduct or practice contrary to recognized standards of ethics for the licensed profession or vocation.

Based on the foregoing, the Board hereby imposes the following conditions to Dr. Boyer's conditional license:

1. Dr. Boyer shall, at his sole expense, enter into a monitoring contract with Pu`ulu Lapa`au, Hawaii Program for Healthcare Professionals ("Pu`ulu Lapa`au"). The length of the monitoring contract shall be determined by Pu`ulu Lapa`au. During the period of the contract Dr. Boyer shall refrain from using drugs, except as provided by his treating physician, or alcohol. Shall provide a copy of the Board's letter to the Medical Director of Pu`ulu Lapa`au for its records. In turn, Pu`ulu Lapa`au shall provide the Board with a copy of the fully executed contract and regular reports to the Board regarding Dr. Boyer's compliance.
2. If at any time Pu`ulu Lapa`au determines that Dr. Boyer is not in compliance with the monitoring contract, Dr. Boyer shall immediately notify the Board and immediately cease practicing medicine until Pu`ulu Lapa`au specifies to the Board what conditions, if any, it recommends for Dr. Boyer to safely resume the practice of medicine. Depending upon Pu`ulu Lapa`au's written report and recommendations, the Board may evaluate, what, if any, further conditions are warranted for Dr. Boyer to practice medicine and impose such conditions on his license. If Dr. Boyer fail to refrain from using drugs or alcohol, the Board also will consider whether to suspend, revoke, or otherwise discipline his license.

3. Should Dr. Boyer wish to have any condition removed from his license he shall make a request in writing to the Board, at which time the Board would consider his request. When doing so, Dr. Boyer shall provide evidence of full compliance with his monitoring contract with Pu`ulu Lapa`au.

After due consideration of the information received, it was moved by Chair Takanishi, seconded by Mr. Puleasi, and unanimously carried to deny Dr. Klassen's application for medical licensure, basing its decision on the following grounds of the Hawaii Revised Statutes ("HRS"), which find factual support in the records and files of Dr. Klassen's application:

- HRS § 453-8(a)(8): Incompetence or multiple instances of negligence, including but not limited to the consistent use of medical service, which is inappropriate or unnecessary;
- HRS § 453-8(a)(15): Submitting to or filing with the board any notice, statement, or other document required under this chapter, which is false or untrue or contains any material misstatement or omission of fact; and
- HRS § 436B-19(8): Failure to maintain a record or history of competency, trustworthiness, fair dealing and financial integrity.
