  2. Additions/  
Revisions to  
Agenda: None.
  3. Executive  
Officer's Report:
    - a. RICO Massage Therapy Advisory Committee

The Board reviewed a list provided by RICO of massage therapy advisory committee members effective January 1, 2014 and addendum language which will allow RICO to include any additional interim appointees that they deem

necessary to aid in its investigations.

After some discussion, upon a motion by Vice Chair Davis, seconded by Ms. Chock, it was voted on and unanimously carried to approve the list provided by RICO for the Massage Advisory Committee effective January 1, 2014 and the addendum language.

4. Approval of Board Meeting and Executive Session Minutes of the April 24, 2013 Meeting:

Upon a motion by Ms. Chock, seconded by Vice Chair Davis, it was voted on and unanimously carried to approve both the board and executive session minutes of the April 24, 2013 Board meeting.

5. Applications:

a. Ratifications

Upon a motion by Vice Chair Davis, seconded by Ms. Chock, it was voted on and unanimously carried to approve the attached ratification list.

At this time, Chair Nagashima announced she was taking the agenda out of order to discuss the following agenda items:

- 7. New Business, a. Inquiry from Walter Aipa - In regards to Massage Establishment ("MAE") licensure, how often must an event occur for it to be considered "occurring on a regular basis or frequent, prompting the need for an MAE license."
- 8. Unfinished Business, a. Rule Revisions – Title 16, Chapter 84, Hawaii Administrative Rules – Committee Update

7. New Business:

a. Inquiry from Walter Aipa - In regards to Massage Establishment ("MAE") licensure, how often must an event occur for it to be considered "occurring on a regular basis or frequent, prompting the need for an MAE license."

Mr. Aipa stated that he is requesting a clarification on when an MAE license is required because there seems to be confusion within the industry about when MAE licenses are required for non-traditional establishments such as farmers markets and other similar venues.

DAG Tam asked for a specific example or scenario involving the location of the activity, the frequency that the MAT is at the venue, etc.

Mr. Aipa said he is unsure of the frequency of those MATs.

Chair Nagashima stated that the Board previously determined that all non-traditional establishment inquiries such as farmers markets need to be reviewed by the Board to determine whether an MAE license is needed. She cautioned that in the event of an investigation, if it is determined an MAE license was needed and the MAT operated without it, possible sanctions could involve revocation or suspension of the individual's MAT license as well as monetary fines.

DAG Tam noted that every MAT is responsible for knowing the Board's statutes and rules and following them.

8. Unfinished Business:

a. Rule Revisions – Title 16, Chapter 84, Hawaii Administrative Rules – Committee Update

Vice Chair Davis reported that the Sub-Committee has met several times since the last meeting. They have completed one draft using the current rules as well as previous drafts and are still revising it to present to the Board.

Vice Chair Davis noted that there are sections in the current rules that reference an out-call massage license.

DAG Tam stated that the Board previously determined that a Hawaii licensed MAT is allowed to perform out-call massage outside a permanent fixed location under their MAT license.

Vice Chair Davis asked if there needs to be a section on out-call massage.

DAG Tam said that the committee should consider including a section for clarification purposes.

Chair Nagashima noted that the Board would be entering into executive session shortly. She asked the audience if there were any issues they would like to bring up.

Mr. Aipa asked about individuals that advertise massage services on websites such as Groupon or Living Social. AMTA has discovered that some of these individuals are not licensed. He asked if the Board can send a letter to the companies asking them to check if the individuals are licensed before allowing them to use their services.

DAG Tam stated that the Board does not regulate these websites.

Chair Nagashima noted that anyone can file a complaint with RICO providing a copy of the websites or advertisements and RICO will investigate the complaint.

The Board returned to its regular order of business.
