Dear Consumer:

Before filing your complaint with the Regulated Industries Complaints Office (RICO), we request that you:

- ❖ Write to the other party to resolve your complaint and
- ❖ **Send a copy of your letter to our office**
- ❖ *A Sample Complaint Letter* is attached for your reference

If you know or suspect that the respondent is not appropriately licensed for the type of activity he is engaging in, you may file a complaint directly with RICO without further contact with the respondent. RICO does not condone the hiring of an unlicensed person or encourage any unlicensed person/entity to finish a project.

If you do not receive a response within 14 days, or the response you receive is not satisfactory:

- ❖ Notify RICO **in writing by completing the enclosed complaint form**
- ❖ **Attach copies of your correspondence with the other party**
- ❖ Include **copies** of all pertinent documents regarding your complaint

If you have already written to the respondent in an attempt to resolve your concerns, you may file your complaint with our office without further contact with the respondent. Please provide us with a copy of your correspondence with the respondent.

After we receive your written complaint, an investigator in the Consumer Resource Center (CRC) will:

- ❖ Review your complaint to see if RICO has jurisdiction
- ❖ Determine if there is enough information and evidence to indicate a possible licensing law violation

Please be aware that:

- ❖ If you wish to submit a complaint anonymously, you will not be informed about what is happening to your complaint as determinations are made.
- ❖ If your complaint is accepted into our case processing system, an investigation and possible legal action could result. RICO is responsible for enforcing certain regulatory laws on behalf of the state of Hawaii. Because we serve the state's interests, we do not act as attorneys or advisors for complainants.
- ❖ Based on your complaint, the violations we allege are determined by the laws and the types of sanctions we may seek. Depending upon the type of case, we may seek fines, injunctions, license suspensions or revocations, or restitution. However, although we ask in our complaint form what would be an acceptable resolution of your complaint, please keep in mind that we may not be able to assist you with what you want.
- ❖ The information and records you provide will be held in confidence, unless disclosure is required for RICO purposes or otherwise required by law. You may also seek the advice of your attorney to protect any claims you may have.
