**2023 - CERTIFICATE OF STATUS INSTRUCTION FORM**  
**[Hawaii LLCs]**

Congratulations on registering your business with the State of Hawaii. Your articles have been filed with the Hawaii Secretary of State and are complete. You have one step left in order to attain your optional Hawaii Certificate of Status, also known as a Certificate of Standing. Below is a form for your newly registered business. Please confirm the accuracy of the information below for your Hawaii Certificate of Status request.

A Hawaii Certificate of Status is issued by the Secretary of State and may be required for loans, to renew business licenses, or for tax or other purposes. GA Business Compliance will assist for a fee in procuring your document. A Certificate of Status certifies that your Hawaii business is in existence, is authorized to transact business in the state, and complies with all state requirements. The Certificate of Status shows the official evidence of an entity's existence and provides a statement of an entity's status, current legal name, and date of formation. The Certificate of Status bears the official seal of the Hawaii Secretary of State.

To confirm and receive your official Certificate of Status, follow the steps below. GA Business Compliance will not disclose any information about your business to any third-party, including competitors, unless required by force of law.
