Dear Mr. Barlow:

Pursuant to Letter Orders dated December 21, 2012, the Department of Commerce and Consumer Affairs ("DCCA") directed Oceanic Time Warner Cable LLC ("OTWC") to pay fifty percent (50%) of the respective 2013 Access Operating Fees to the following public, educational, and governmental ("PEG") access organizations: Hoike: Kauai Community Television, Inc. ("Hoike"), Na Leo O Hawaii, Inc. ("Na Leo"), Olelo Community Television ("Olelo") and Akaku: Maui Community Television ("Akaku"). OTWC was also directed to pay fifty percent (50%) of the respective 2012 capital fund payments to Hoike, Na Leo and Akaku.

In addition DCCA directed OTWC to deposit and maintain the balance of the 2013 Access Operating Fees and the balance of the 2013 capital fund payments for Hoike, Na Leo and Akaku in separate interest-bearing accounts in federally insured financial institutions pending further instruction from DCCA. OTWC was allowed to recover the reasonable costs of administering the bank accounts (including the tax impact of any interest earned) from the interest on the accounts. Any remaining interest earned on the bank accounts would then be prorated and disbursed among the PEG access organizations.

DCCA and each incumbent PEG access organization have agreed to an extension of their PEG access agreement for another six-month period from July 1, 2013 to December 31, 2013.

Accordingly, pursuant to Hawaii Revised Statutes section 440G-12; Sections 4.2(c), 12.8, and 12.9 of D&O No. 173, as amended;¹ Sections 4.2(c), 12.8, and 12.9 of D&O No. 174, as amended;² Sections 4.2(b), 12.8, and 12.9 of D&O No. 185, as amended; Sections 4.2(c), 12.8, and 12.9 of D&O No. 241, as amended; and Sections 4.2(c), 11.8, and 11.9 of D&O No. 291, as amended; Section II.D of D&O No. 321; Sections II.A and II.B of D&O No. 335, Section

Except as provided herein, the remaining provisions of DCCA's December 21, 2012 Letter Orders shall remain in effect.

³ OTWC paid 'Olelo its 2013 capital fund payment pursuant to the Deputy Director's Final Order Regarding Arbitrator's Decision Filed on July 27, 2012. The amount of TWE's capital fund payments to 'Olelo for Government PEG Access Programming Facilities and Equipment at the Hawai'i State Capitol and for the City and County of Honolulu Administration is currently subject to a contested case proceeding before the Office of Administrative Hearings. DCCA will later instruct OTWC on these capital fund payments once the contested case proceeding is completed.
