ORDER

On November 1, 1983, WAIANAE TELEVISION AND COMMUNICATIONS CORPORATION ("WTC") filed an application with the Director of Commerce and Consumer Affairs ("Director") requesting an interim increase in the following rates and charges for cable communication services:

Basic Monthly Service	\$11.45
Additional Outlet Charge	3.25

After reviewing all pertinent data relating to this request, the Director hereby grants approval of the above interim increase in rates and charges effective January 1, 1984. The approval is contingent on the following: (1) The increase in rates and charges shall remain in force only until a final determination is made by the Director in WTC's application in Docket No. 12-83-01 for approval of amendments to its schedule of rates and charges; (2) until the Director has made a final determination in the above Docket No. 12-83-01, WTC shall maintain a separate accountancy of all monies received by WTC as a result of this approval; and (3) if the Director, in her determination, finds that the requested changes in rates and charges contained in Docket No. 12-83-01 are excessive and unfair to the public, WTC shall refund, credit or otherwise rebate to each subscriber such amounts as had been found excessive to the approved rate retroactive to January 1, 1984.
