ORDER NO. 11

As required by Section 11, Act 112, Session Laws of Hawaii 1970,  
CABLEVISION, INCORPORATED filed a request for approval of changes in its  
filed rate schedule on January 15, 1971. The changes requested are  
as follows:

Part II (Rate Schedule) Paragraph A (Connection Charges):  
Change Item 6 to read as follows:

6. Multiple Unit Dwellings:

- (a) For bulk rate subscribers where service does not exist  
in the building(s), Cablevision Inc. will provide the  
necessary facilities at cost.
- (b) For bulk rate subscribers where the building(s) has  
already been wired for MATV service, it will, in  
general, be necessary to bring the system up to  
higher technical performance standards. Cablevision  
Inc. will, on request, perform the necessary improvements  
at cost, or if the subscribers desire, they can have the  
improvements made by a third party.
- (c) The standard of work of the installation required on (a)  
and (b) above must meet the standards set forth by  
Cablevision Inc. and Cablevision Inc. must have the  
right to approve all work.

Part II, Paragraph B: Change Item 2 to read as follows:

2. Bulk rate: 50% of the monthly service charge times the number  
of units served with single billing to the building management.

After due consideration of the above request, approval of the  
changes requested above shall become effective on the first day of April, 1971.

DATED: Honolulu, Hawaii, March 26, 1971.

  
Edwin H. Honda
