BEFORE THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS
OF THE STATE OF HAWAII

In the Matter of the Application of

HAWAIIAN CABLE VISION COMPANY

For Amendment of its Rates and Charges.

DOCKET NO. 07-83-01
ORDER NO. 113

DECISION AND ORDER

On December 28, 1983, Hawaiian Cable Vision Company ("HCVC") filed an application with the Department of Commerce and Consumer Affairs ("Department") to increase its rates for certain cable services. Subsequently, HCVC requested that its application to amend its rates be held in abeyance while the Department considered HCVC's proposed changes in ownership structure. On July 31, 1984, the Director of Commerce and Consumer Affairs ("Director") approved the proposed changes. By letter dated September 10, 1984, HCVC requested that its application for amendment of its rates be reactivated.

A public meeting was held on January 21, 1985 at the Lahaina Library, Lahaina, Maui, to allow the residents of the community served by HCVC to voice their concerns or to ask questions about the proposed rate increase. All comments received were considered in this decision.

Also considered were HCVC's March 14, 1984 response to the Cable Television Division's ("Division") Request for Information and Evidence and the supplemental filings made by the applicant. On February 25, 1985, HCVC submitted its final exhibits for consideration.

Having considered all pertinent information in this case, the Director finds that the proposed increases in monthly rates for the provision of basic services are fair and reasonable. The Director makes no finding at this time regarding the reasonableness of proposed rates for additional outlets.

NOW, THEREFORE, it is hereby ordered that Hawaiian Cable Vision Company may charge no more than the following monthly rates for basic service:
