DECISION AND ORDER

On April 1, 1985, the Director of Commerce and Consumer Affairs received from Comtec, Inc. an application for authority to provide cable communications services to a portion of Census Tract 212 in the Ka'u District on the island of Hawaii (Volcano Golf Course subdivision, Hawaii Volcanoes National Park).

To afford the public an opportunity to participate in regulatory decision-making, a public hearing was held at 7:30 p.m., May 28, 1985 in the Clubhouse of the Volcano Golf and Country Club on the grounds of the Hawaii Volcanoes National Park. Notice of the public hearing was published in the Honolulu Star-Bulletin and the Hawaii Tribune Herald on May 13, 1985 and May 20, 1985. A transcript of the public hearing is included as part of the record of this proceeding.

The Director, having reviewed the application and other related documents, has determined that Comtec, Inc. meets the minimum requirements for a cable permit. The Director considered, among other things, the public need for the proposed service, the ability of the applicant to offer service at a reasonable cost to the subscriber, the suitability of the applicant, the ability of the applicant to perform efficiently the service for which authority is requested, and any objections arising from the public hearing or affected cable companies.

NOW, THEREFORE, the Director hereby grants Comtec, Inc. authority to provide cable communications services to the Volcano Golf Course subdivision, subject to the following:

1. All conditions in Order No. 14 dated June 10, 1971 shall be applicable to this service area.

2. The monthly basic service charge shall not exceed TEN AND  
NO DOLLARS (\$10.00) as specified in the application.

Dated at Honolulu, Hawaii, 6/12, 19 85.
