Order No. 22

O R D E R

The Director of Regulatory Agencies, in considering the application of OCEANIC CABLEVISION, INCORPORATED, for authority to acquire the total shares of MILILANI CABLEVISION, INCORPORATED and ISLAND CABLEVISION, INCORPORATED, has made the following findings:

1. That granting of such authority will result in consolidation of management and operational functions of the various cable television operations of the Oceanic Properties-Fred Welsh Systems partnership, enabling the surviving consolidated company to effect greater efficiencies in its management and operations.

2. That granting of such authority will result in the creation of an uninterrupted service area under a single operating company.

3. That the above will result in a cable television system better able to serve the public interest.

Therefore, the request of OCEANIC CABLEVISION, INCORPORATED for authority to acquire the total shares of MILILANI CABLEVISION, INCORPORATED and ISLAND CABLEVISION, INCORPORATED is hereby approved.
