ORDER ENLARGING SERVICE AREA

1. Comtec, Inc., herein "Applicant," in an application filed June 9, 1978, requested that the Director of Regulatory Agencies approve the expansion of its service area in order to enable Applicant to provide CATV services to certain portions of Census Tract 210 in the Puna District, Island of Hawaii. Applicant proposed specifically to build CATV facilities and provide CATV service to the areas of Keaau, Kurtistown and Mountain View. Construction of said areas was proposed by the Applicant to be completed by July 1, 1979. In connection with said application, Applicant proposed a schedule of rates and charges for cable services within the area applied for. Such schedule provided for a basic monthly rate of \$10 for the first outlet as compared to \$8 for customers in Applicant's existing service area.

2. A public hearing concerning the application was held on August 31, 1978, at 7:00 p.m., at the Keaau School Library, at which time the Applicant as well as all interested members of the public were afforded an opportunity to express their views.

3. Upon review of all pertinent information relating to the instant application and the need for CATV services on the Island of Hawaii, the Director of

Order No. 67

Regulatory Agencies hereby grants authority to Comtec, Inc., to provide CATV services to Census Tract Number 210, County of Hawaii. Census Tract Number 210 is described as being that area of the County of Hawaii included within the area bounded by:

South Hilo-Kau District line, South Hilo-Puna District line, Hilo city limits.
Pacific Ocean.
Waikahekahe Iki-Makuu Land Grant boundary, Waikahekahe Ili Land Grant-Puna Forest Reserve boundary, Keaau-Kahaualea Land Grant boundary.
Hawaii Volcanoes National Park boundary, Puu Oo Trail.

4. The schedule of rates and charges contained in the instant application are hereby approved. Such rates and charges shall be applicable only to those subscribers residing in the areas added to the service area of the Applicant by the terms of this Order.

5. In furtherance of the legislative policies set forth in Section 440G-2, Hawaii Revised Statutes, to the effect that the rapid and orderly expansion of cable television systems would be of great benefit to the people of the State, and pursuant to Section 440G-8(d), Hawaii Revised Statutes, approval of the instant application is subject to the following conditions:

a. Applicant shall construct cable facilities and begin service to all potential subscribers in the Keaau, Kurtistown and Mountain View communities of the Puna District, Island of Hawaii, on or before July 1, 1979.

b. Applicant shall agree to comply fully with the provisions of Section 440G-6(b), Hawaii Revised Statutes.

6. In the event that due to circumstances beyond the control of Applicant, Applicant is unable to meet the construction schedule set forth in the preceding paragraph, Applicant may make application to the Director for an

Order No. 67

extension or modification of said construction schedule. In making said application, Applicant shall set forth the reasons why the construction schedule cannot be met, together with its best estimates as to when construction can be completed.

DATED: Honolulu, Hawaii, January 8, 1979.
