DOCKET NO. 07-79-01
ORDER NO. 74

ORDER

On September 5, 1979, HAWAIIAN CABLE VISION COMPANY, hereafter called "Applicant," filed an application for approval of an increase of \$1.00 in its rates and charges from \$8.25 to \$9.25 per month for residential subscribers, a \$0.45 increase in rates for apartments and condominiums from \$3.75 to \$4.20 per unit per month, and \$0.15 increase in rates for hotels from \$1.00 to \$1.15 per room per month.

Applicant, a Hawaiian limited partnership, holds a 20-year, non-exclusive permit from the Department of Regulatory Agencies to provide cable television service to the Lahaina District of the County of Maui.

At the present time, Applicant is providing the following services to its cable subscribers:

- a. Three network channels from Honolulu;
- b. KIKU, an independent Japanese language station;
- c. The Hawaii Public Broadcasting station;
- d. FM radio stations;
- e. Pay movie television channel; and
- f. Local origination channel.

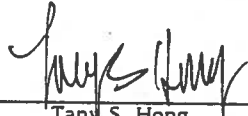

Using the quality and quantity of cable television services available state-wide as a reasonable standard, the Lahaina District subscribers are receiving comparatively less service than can be readily and economically provided them by Applicant.

Applicant apparently realizes the differences in the total service and proposes to construct a satellite earth station for the purpose of providing its subscribers the following additional programming:

- a. WTBS
- b. KTVU
- c. C-SPAN
- d. Madison Square Gardens Communications Network
- e. Home Box Office

A key function of regulation is to insure that the services offered by the regulated companies keep pace with the advancements in technology and program services available throughout the industry. Accordingly, the rates applied for are approved, subject to becoming effective upon certification by Applicant to the Director that construction of the earth station is completed and operable and that the above-mentioned satellite-transmitted services are being offered to Applicant's subscribers.

DATED: Honolulu, Hawaii, January 29, 1980.

Tany S. Hong
Director of Regulatory Agencies
