Re: Red Fiber Parent LLC's State of Hawai'i Application to Transfer Control of Cable Franchise held by Hawaiian Telcom Services Company, Inc. from Cincinnati Bell Inc. ("Application"): Redacted Versions of Confidential Attachments IR-2(a), 8 and 9

Dear Ms. Colón and Ms. Kim:

On September 4, 2020, Red Fiber Parent LLC, Cincinnati Bell Inc., and Hawaiian Telcom Services Company, Inc. (collectively, "Applicants"), filed with Department of Commerce and Consumer Affairs ("DCCA") an original and three (3) copies of Applicants' responses to the DCCA's Information Requests issued by letter on August 19, 2020 ("Applicants' Responses") with respect to the above-referenced matter. Applicants' Responses included references to Confidential Attachments IR-2(a), 8 and 9, which were submitted to the DCCA in a separate sealed envelope, for use and viewing only by the DCCA for purposes of the subject proceeding.

Enclosed for filing with the DCCA and in connection with the above-referenced matter, please find an original and three (3) copies of the redacted versions of Confidential Attachments IR-2(a), 8 and 9. These redacted versions are provided so that they may be uploaded to the DCCA's website.

If you should have any questions, please do not hesitate to contact the undersigned.

Very truly yours,

Kent D. Morihara
Michael H. Lau
Jamie C. Yoshikane

Additionally, HTSC is planning to offer [REDACTED]. [REDACTED] is already available in the other Cincinnati Bell franchise areas.

CONFIDENTIAL
ATTACHMENT IR-9

HTSC will continue to develop its cable infrastructure system including exploring technologies that enable it to most efficiently bring higher speed broadband services to the widest possible base. HTSC completed trials of [REDACTED] and may elect to use this technology in certain [REDACTED] to provide higher speeds than would otherwise be possible. [REDACTED] solutions also hold potential in certain areas where it is not feasible to [REDACTED]. In addition, [REDACTED] could provide the ability to offer [REDACTED] speeds in the [REDACTED] in the future. Higher speed broadband deployments open up more locations within the franchise area for cable service qualification and/or over-the-top video options.
