

**NOTICE OF PUBLIC MEETING**

**APPLICATION OF YOUNG BROTHERS, LLC  
FOR APPROVAL OF A GENERAL RATE INCREASE  
AND CERTAIN TARIFF CHANGES**

**Docket No. 2019-0117**

The STATE OF HAWAII PUBLIC UTILITIES COMMISSION ("Commission"),  
HEREBY GIVES NOTICE that it will hold a public meeting relating to the Application of  
YOUNG BROTHERS, LLC ("Young Brothers"), filed on September 25, 2019, for approval  
of a general rate increase and certain tariff changes:

The Commission will hold a public meeting as follows:

**Thursday, January 16, 2020, 4:30 p.m.**  
Lihue State Office Building  
Conference Rooms 2019 B & C  
3059 Umi Street  
Lihue, Hawaii 96766

The Commission will investigate whether the proposed revenue increases,  
changes in rate schedules and rules, and other matters proposed in Young Brothers'  
Application are just and reasonable.

Young Brothers is a water carrier authorized to transport property by barge  
between the islands of Oahu, Hawaii, Kauai, Maui, Molokai, and Lanai. Young Brothers  
seeks approval of a rate increase of \$26,997,928, which represents a 34.27% increase  
over intrastate revenues at currently effective rates, which is projected to be \$78,783, 326  
(which incorporates a requested return on equity of 10.70%) for the 2020 test year.

In the Application, Young Brothers states that the "purpose for the requested  
increase is to sustain Young Brothers' financial viability to ensure the provision of safe,  
adequate, economical, and efficient service at reasonable rates in conformance with

the Hawaii Water Carrier Act” and is “based on the following main drivers: (1) increased rate base; (2) increased operating expenses; (3) continuing decline in intrastate cargo volume; and (4) an increase in the proposed cost of capital.”

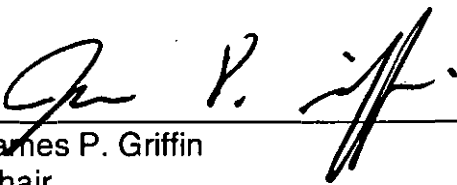

At the public meeting, the Commission will receive in-person comments from the general public regarding the Application and the proposed rate increases and revised rate schedules and rules.

The purpose of these public meeting is to listen to the views expressed by the general public. All interested persons are invited to attend the public meeting to state their views on the Application, orally, in writing, or both. So that all in attendance will have the opportunity to speak at the public meeting, the Commission may impose time limits for each person’s comments.

The foregoing is a summary of the proposals in Young Brothers’ Application. Copies of Young Brothers’ Application are available for public review through the Commission’s electronic Document Management System, accessible at <http://dms.puc.hawaii.gov/dms/>.
