

WHAT YOU NEED TO KNOW ABOUT AUTO INSURANCE IN HAWAII

You can buy your motor vehicle insurance policy from a company licensed to do business in Hawaii or an insurance agency licensed to sell policies for the insurance company. The sales agent will answer your questions and help you determine how much insurance you may need.

Most insurance companies are listed in the telephone directory and can direct you to one or more of their licensed sales agents. Insurance companies that are not listed in the directory, generally transact business through one or more insurance agencies that may advertise their auto insurance services in the telephone directory or online.

SAMPLE PREMIUMS VS YOUR PREMIUMS

The cost of your motor vehicle insurance policy will depend on several factors: your driving record (at fault accidents and convictions); the use of the vehicle (to and from work may increase premiums 15-25% over pleasure usage); annual mileage driven; your selected coverages; your selected limits and deductibles; and any possible discounts (many companies offer 3-5 year renewal discounts) that may apply.

You may reduce your premiums by declining in writing uninsured and underinsured motorist coverages. If you purchase physical damage coverages, your premiums will be significantly higher. Also, the make and model of your vehicle and its repairability affect physical damage premiums. You may reduce physical damage premiums by requesting higher deductibles.

WHAT IF YOU HAVE TROUBLE FINDING INSURANCE?

Companies may choose the people they wish to insure. However, they may not refuse to insure you on the basis of your race, creed, ethnic extraction, age, sex, length of driving experience, credit bureau rating, marital status, residence or physical handicap.

Some companies specialize in low risk classes; other companies specialize in high risk classes; and some companies will only insure members of a group contracting for group insurance. The premium charged will vary accordingly. If you are turned down by one company, the sales agent must offer to place you in the Hawaii Joint Underwriting Plan (HJUP), or you can check with other insurance companies.

ASK ABOUT THE HAWAII JOINT UNDERWRITING PLAN (HJUP)

If you try several companies and cannot find coverage, you can be insured through the Hawaii Joint Underwriting Plan. This is a risk-pooling arrangement in which all motor vehicle insurers must participate. The HJUP insures those drivers who are unable to secure insurance from a licensed company or have multiple accidents or traffic convictions. You may apply through any sales agent of an insurance company licensed to sell motor vehicle insurance in this State.
