"Statement" means information required to be filed with the commissioner pursuant to sections 431:11-104 to 431:11-104.5, 431:11-105, and 431:11-106, HRS, and the following guidelines set forth in Forms A, B, C, D, E, and F at the end of this chapter.

"Ultimate controlling person" means a person which is not controlled by any other person.

Unless the context requires otherwise, terms found in this chapter are used as defined in section 431:11-102, HRS. Other terminology is used as defined in chapter 431, HRS, or industry usage if not defined in chapter 431, HRS. [Eff 3/14/94; am and comp 10/15/16] (Auth: HRS §§431:2-201, 431:11-109) (Imp: HRS §§431:11-104, 431:11-105, 431:11-106)

§16-14-2 General requirements for forms. (a) Forms A, B, C, D, E, and F at the end of this chapter are made a part of this chapter. The forms shall be used as guides in the preparation of the statements required by sections 431:11-104 to 431:11-104.5, 431:11-105, and 431:11-106, HRS; they are not intended as blank forms to be filled in. The statements filed shall contain the numbers and captions of all items of the form and the responses shall indicate clearly the items to which they respond. All instructions, whether appearing under the items of the form or elsewhere, shall be omitted, provided that the text set forth for signature and certification requirements shall be followed. Unless expressly provided otherwise, if any item is inapplicable or if the response to an item is in the negative, that response shall be expressly stated.

(b) Statements shall be prepared electronically. Statements shall be easily readable and suitable for review and reproduction. Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable on photocopies. Statements shall be in the English language, and monetary values shall be stated in United States currency. If any exhibit or other paper or document filed with the statement is in a foreign language, it shall be accompanied by a certified translation into the English language, and any monetary value shown in a foreign currency shall be converted into United States currency.

(c) Two complete copies of each statement, including exhibits and all other papers and documents filed as part of the statement, shall be filed with the commissioner and shall be signed in the manner prescribed on the form. If the signature of any person is affixed pursuant to a power of attorney or other similar authority, a copy of the power of attorney or other authority shall also be filed with the statement.

(d) Information required by any item of Form A, Form B, Form D, Form E, or Form F may be incorporated by reference in response or partial response to any other item. Information contained in any financial statement, annual report, proxy statement filed with a governmental authority, or any other document may be incorporated by reference in response or partial response to any item of Form A, Form B, Form D, Form E, or Form F, provided that the document is filed as an exhibit to the statement. However, documents currently on file with the commissioner which were filed within three years of the date the statement is filed need not be attached as exhibits. Excerpts of documents may be filed as exhibits if the documents are extensive. References to information contained in exhibits or in documents already on file shall clearly identify the material and shall specifically indicate that the material is to be incorporated by reference in response to the item. Material shall not be incorporated by reference in any case where incorporation would render the statement incomplete, unclear, or confusing.

(e) Where an item requires a summary or outline of the provisions of any document, only a brief description shall be given of the pertinent provisions of

the document. The summary or outline may incorporate by reference particular parts of any exhibit or document currently on file with the commissioner filed within three years of the date the statement is filed. Where two or more documents which must be filed as exhibits are substantially identical in all material respects except as to the parties thereto, the dates of execution, or other details, the person filing may file a copy of only one of the documents with a schedule identifying the omitted documents and setting forth the material details in which the documents differ from the documents filed as exhibits.

(f) In addition to the information expressly required in Form A, Form B, Form C, Form D, Form E, and Form F, the person filing shall include all additional material which may be necessary to make the information contained in the statements not misleading. The person filing may also file exhibits in addition to those expressly required. The exhibits shall be marked to indicate clearly the subject matter to which they refer.

(g) Changes to Form A, Form B, Form C, Form D, Form E, and Form F shall include on the top of the cover page the phrase: "Change No. __ to Form __" and shall indicate the date of the change and not the date of the original filing.

(h) If an applicant requests a hearing on a consolidated basis pursuant to section 431:11-104(d)(3), HRS, in addition to filing the Form A with the commissioner, the applicant shall file a copy of Form A with the National Association of Insurance Commissioners in electronic form. [Eff 3/14/94; am and comp 10/15/16] (Auth: HRS §§431:2-201, 431:11-109) (Imp: HRS §§431:11-104, 431:11-105, 431:11-106)

§16-14-3 Information unknown or unavailable. If the person filing cannot practically furnish any required information, document, or report at the required time, the person shall file with the commissioner a separate document:

- (1) Identifying the information, document, or report in question;
- (2) Stating why filing at the required time is impractical; and
- (3) Requesting an extension of time for filing the information, document, or report to a specified date.

The request for an extension shall be deemed granted unless the commissioner enters an order denying the request within thirty days after receipt of the request. [Eff 3/14/94; am and comp 10/15/16] (Auth: HRS §§431:2-201, 431:11-109) (Imp: HRS §§431:11-104, 431:11-105, 431:11-106)

§16-14-4 Subsidiaries of domestic insurers. The authority to invest in subsidiaries under section 431:11-103(b), HRS, is in addition to any authority to invest in subsidiaries which may be contained in any other provision of chapter

431, HRS. [Eff 3/14/94; comp 10/15/16] (Auth: HRS §§431:2-201, 431:11-109)
(Imp: HRS §431:11-103)

§16-14-5 Statement for acquisition of control and preacquisition notification. (a) A person required to file a statement pursuant to section 431:11-104, HRS, shall furnish the required information utilizing Form A and the required information on Form E described in subsections (e), (f), and (g).

(b) The person filing the statement required by section 431:11-104, HRS, shall promptly advise the commissioner of any changes in the information furnished on Form A arising after the date upon which the information was furnished but before the commissioner's disposition of the application for approval.

(c) If the person being acquired is a “domestic insurer” as defined by section 431:11-104(a)(4), HRS, the name of the domestic insurer on the cover page should be indicated as follows: “ABC Insurance Company, a subsidiary of XYZ Holding Company.”

(d) Where a domestic insurer is being acquired, references to “the insurer” contained in Form A shall refer to both the domestic insurer and its subsidiaries.

(e) If a domestic insurer, including any person controlling a domestic insurer, is proposing a merger or acquisition pursuant to section 431:11-104(a)(1), HRS, that person shall file a preacquisition notification form, Form E.

(f) If a non-domiciliary insurer licensed to do business in this State is proposing a merger or acquisition pursuant to section 431:11-104.2, HRS, that person shall file a preacquisition notification form, Form E. No preacquisition notification form need be filed if the acquisition is beyond the scope of section 431:11-104.2, HRS, as set forth in section 431:11-104.2(b), HRS.

(g) In addition to the information required by Form E, the commissioner may require an expert opinion as to the competitive impact of the proposed acquisition. [Eff 3/14/94; am and comp 10/15/16] (Auth: HRS §§431:2-201, 431:11-109) (Imp: HRS §431:11-104)

§16-14-6 Annual registration. (a) An insurer required to file an annual registration statement pursuant to section 431:11-105, HRS, shall furnish the required information utilizing Form B and Form C.

(b) An amendment to Form B shall be filed within fifteen days after the end of any month in which there is a material change to the information provided in the annual registration statement.

(c) Amendments to Form B shall be filed in the Form B format, but only those items which are being amended shall be reported. Each amendment shall

include at the top of the cover page "Amendment No. ___ to Form B for (insert year)" and shall indicate the date of the change and not the date of the original filing.

(d) Any authorized insurer may file a registration statement on behalf of any affiliated insurer or insurers which are required to register under section 431:11-105, HRS. A registration statement may include information regarding any insurer in the holding company system even if the insurer is not authorized to do business in this State. In lieu of filing a registration statement on Form B, the authorized insurer may file a copy of the registration statement or similar report which it is required to file in its state of domicile, provided that:

- (1) The statement or report contains substantially the same information required to be furnished on Form B; and
- (2) The filing insurer is the principal insurance company in the insurance holding company system and the filing contains a brief statement of facts which will substantiate the filing insurer's claim that it is the principal insurer in the insurance holding company system.

(e) With the prior approval of the commissioner, an unauthorized insurer may follow any of the procedures permitted under subsection (d).

(f) Any insurer may make filings pursuant to section 431:11-105(h) and (i), HRS, without obtaining the prior approval of the commissioner. The commissioner, however, may require individual filings if the commissioner deems individual filings necessary in the interest of clarity, ease of administration, or the public good. [Eff 3/14/94; am and comp 10/15/16] (Auth: HRS §§431:2-201, 431:11-109) (Imp: HRS §431:11-105)

§16-14-7 Disclaimers and termination of registration. (a) A disclaimer of affiliation or a request for termination of registration may be made when a person does not, or will not upon the taking of some proposed action, control another person (hereinafter referred to as "the subject"). The disclaimer shall contain the following information:

- (1) The number of authorized, issued, and outstanding voting securities of the subject;

§16-14-7

No information need be disclosed if the information is not material for purposes of section 431:11-105, HRS. As to any sales, purchases, exchanges, loans or extensions of credit, investments, or guarantees involving one-half of one percent or less of the Registrant's admitted assets as of December 31 next preceding, the Registrant shall submit a sufficiently detailed description to permit the commissioner to evaluate the materiality of the transaction. The description shall include at least the following:

- (1) The nature and purpose of the transaction;
- (2) The nature and amounts of any payments or transfers of assets between the parties;
- (3) The identity of all parties to the transaction; and

The commissioner may request additional information at the commissioner's discretion. If the commissioner determines that a transaction is material, the commissioner shall notify the Registrant who shall file an Amendment to the registration statement pursuant to section 16-14-6(c), within thirty days from the date of the commissioner's notice, setting forth the required information about the transaction.

ITEM 6. LITIGATION OR ADMINISTRATIVE PROCEEDINGS

Briefly describe any litigation or administrative proceedings of the following types, either pending or concluded within the preceding fiscal year, to which the ultimate controlling person or any of its directors or executive officers was a party or of which the property of any such person is or was the subject, giving the names of the parties and the court or agency in which the litigation or proceeding is or was pending:

- (1) Criminal prosecutions or administrative proceedings by any government agency or authority which may be relevant to the trustworthiness of any party to the litigation or proceeding; and
- (2) Proceedings which may have a material effect upon the solvency or capital structure of the ultimate controlling person, including but not limited to bankruptcy, receivership, or other corporate reorganizations.

ITEM 7. STATEMENT REGARDING PLAN OR SERIES OF TRANSACTIONS

Furnish a statement that transactions entered into since the filing of the prior year's annual registration statement are not part of a plan or series of like transactions whose purpose is to avoid statutory threshold amounts and the review that might otherwise occur.

ITEM 8. FINANCIAL STATEMENTS AND EXHIBITS

(a) List under this item the financial statements and exhibits attached to this registration statement.

(b) If the ultimate controlling person is a corporation, an organization, a limited liability company, or other legal entity, the financial statements shall include the annual financial statements of the ultimate controlling person in the insurance holding company system as of the end of the person's latest fiscal year.

If at the time of the initial registration, the annual financial statements for the latest fiscal year are not available, annual statements for the previous fiscal year may be filed, along with similar financial information for subsequent periods to the extent the information is available. The financial statements may be prepared on either an individual basis or on a consolidated basis if consolidated statements are prepared in the usual course of business, unless the commissioner requires otherwise.

In addition, such financial statement shall be filed in a standard form and format adopted by the National Association of Insurance Commissioners, unless an alternative form is adopted by the Commissioner. Documentation and financial statements filed with the Securities and Exchange Commission or audited generally accepted accounting principles shall be deemed to be an appropriate form and format.

Unless the commissioner permits otherwise, the annual financial statements shall be accompanied by the certificate of an independent public accountant stating that the statements present fairly the financial position of the ultimate controlling person and the results of its operations for the year then ended in conformity with generally accepted accounting principles or with requirements of insurance or other accounting principles prescribed or permitted under law. If the ultimate controlling person is an insurer which is actively engaged in the business of insurance, the annual financial statements need not be certified, provided they are based on the annual statement of the insurer's domiciliary state and are in accordance with requirements of insurance or other accounting principles prescribed or permitted under the law and regulations of that state.

Any ultimate controlling person who is an individual may file personal financial statements that are reviewed rather than audited by an independent public accountant. The review shall be conducted in accordance with standards for review

of personal financial statements published in the Personal Financial Statements Guide by the American Institute of Certified Public Accountants. Personal financial statements shall be accompanied by the independent public accountant's Standard Review Report stating that the accountant is not aware of any material modifications that should be made to the financial statements in order for the statements to conform with United States generally accepted accounting principles.

(c) Exhibits shall include copies of the latest annual reports to shareholders of the ultimate controlling person and proxy material used by the ultimate controlling person; and any additional documents or papers required by this form or sections 16-14-2 and 16-14-3.
