MEMORANDUM 2022 – 7R

July 8, 2022

TO: All Insurers Writing Residential Hurricane Coverage in Hawai`i

FROM: Colin M. Hayashida, Insurance Commissioner 

SUBJECT: Hurricane Insurance Data Call Worksheet

The Insurance Commissioner ("Commissioner") is requiring all insurers in the residential hurricane market who currently write, or who wrote at any time within the last fifteen years (i.e. since 2007), to complete the data call worksheet provided by the Insurance Division.

Residential hurricane coverage is important for Hawai`i homeowners to obtain. As Hawai`i hurricane experience is not segregated in statutory financial information submitted by insurers, the Commissioner is seeking to capture Hawai`i-specific information on residential hurricane coverage through a separate data call.

The Commissioner may exercise his authority to investigate the adequacy of rates and compliance with rate regulation pursuant to Hawai`i Revised Statutes ("HRS") §§431:2-201(a) and (b) and 431:14-114(c). Pursuant to HRS §431:2-201(a), "The commissioner shall have the authority expressly conferred upon the commissioner by or reasonably implied from the provisions of this code." Under HRS §431:2-201(b), "The commissioner shall execute the commissioner's duties and shall enforce this code." Pursuant to HRS §431:14-114(c), "to further the uniform administration of rate regulatory laws, the commissioner and every insurer and rating organization may exchange information and experience data with insurance supervisory officials, insurers, and rating organizations in any state and may consult with them with respect to ratemaking and the application of rating systems." In addition, information disclosed in the data call worksheet is confidential and not subject to disclosure pursuant to HRS §431:2D-114, which provides:
