

JAN 17 2025

A BILL FOR AN ACT

RELATING TO INSURANCE FOR HAWAII CONDOMINIUM PROPERTIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I

2 SECTION 1. The legislature finds that, before the Maui
3 wildfires on August 8, 2023, the availability of condominium
4 building master property insurance policy options within the
5 condominium insurance marketplace was shrinking. Due in part to
6 this shrinking, the cost of condominium building master
7 insurance policies has increased exponentially, with insurers
8 increasing deductible amounts from approximately \$10,000 to
9 \$25,000 per unit, per occurrence, to as much as \$250,000.

10 The legislature also finds that while the State has not
11 experienced a direct major impact from a major hurricane since
12 hurricane Iniki devastated Kauai and damaged homes along Oahu's
13 leeward coast more than thirty years ago, mortgage lenders
14 continue to require Hawaii homeowners to carry hurricane
15 insurance, which can cost two to three times the amount of
16 annual premiums of a conventional homeowner policy. The
17 governor's emergency proclamation dated August 7, 2024, and

1 updated on October 7, 2024, enabled the executive branch to
2 provide additional options for condominium associations to
3 purchase hurricane and property insurance for their buildings by
4 authorizing:

5 (1) Loans to the Hawaii hurricane relief fund and the
6 Hawaii property insurance association to facilitate
7 the issuance of hurricane and property insurance
8 policies to condominium associations; and

9 (2) The Hawaii hurricane relief fund to issue hurricane
10 insurance policies for large condominium buildings,
11 and to set policy limits.

12 The legislature acknowledges that although insurance
13 coverage, excluding hurricane coverage, for condominium
14 buildings is available in the standard insurance market, the
15 availability of this coverage is not guaranteed. The city and
16 county of Honolulu's requirement for mandatory fire sprinkler
17 retrofits or alternative fire safety upgrades in older
18 condominium properties that are subject to ordinance 18-14, as
19 amended by ordinance 22-2, has resulted in higher insurance
20 premiums and expenses for more than three hundred high-rise
21 properties that are subject to that ordinance.

1 The purpose of this part is to require property insurers to
2 offer specific discounts to condominium associations that
3 undertake risk mitigation strategies that improve building
4 safety and resilience by reducing the likelihood of significant
5 damage and subsequent insurance claims.

6 SECTION 2. Chapter 431, Hawaii Revised Statutes, is
7 amended by adding a new part to article 10E to be appropriately
8 designated and to read as follows:

9 **"PART . CONDOMINIUMS; DISCOUNTS FOR RISK MITIGATION UPGRADES**

10 **§431:10E-A Definitions.** As used in this part:

11 "Association" has the same meaning as in section 514B-3.

12 "Condominium" has the same meaning as in section 514B-3.

13 "Property insurer" means any entity providing property
14 insurance in the State under this chapter.

15 **§431:10E-B Insurance premiums; discounts for risk**
16 **mitigation upgrades, strategies, and plans.** Each property
17 insurer that provides property insurance to an association
18 pursuant to section 514B-143(a)(1) shall offer discounts on the
19 association's annual insurance premium if the association adopts
20 the following risk mitigation upgrades:

1 (1) For the following disaster-resiliency upgrades, a
2 discount equal to:

3 (A) \$ for the installation of
4 impact-resistant windows;

5 (B) \$ for the installation of flood barriers
6 and sandbags;

7 (C) \$ for the installation of drainage
8 improvements and waterproofing of building
9 foundations;

10 (D) \$ for the use of fire-resistant
11 materials;

12 (E) \$ for the installation of sprinkler
13 systems;

14 (F) \$ for the creation of defensible space
15 between the building and surrounding areas; and

16 (G) \$ for seismic safety improvements;

17 (2) For the following planned maintenance improvements, a
18 discount equal to:

19 (A) \$ for the implementation of annual
20 structural inspections;

1 (B) \$ for the implementation of annual roof
2 maintenance;

3 (C) \$ for the implementation of annual
4 sealing and waterproofing maintenance;

5 (D) \$ for the implementation of annual
6 heating, ventilation, and air conditioning
7 maintenance;

8 (E) \$ for the implementation of annual
9 plumbing maintenance; and

10 (F) \$ for the implementation of annual fire
11 and safety system maintenance, including
12 maintenance and testing of fire extinguishers,
13 alarm systems, and elevator safety; and

14 (3) For the adoption of the following smart building
15 technologies that enhance the building's resilience by
16 providing real-time monitoring, a discount equal to:

17 (A) \$ for the installation of leak detection
18 sensors;

19 (B) \$ for the installation of wind and
20 seismic sensors;

1 (C) \$ for the installation of smart smoke
2 alarms that are connected to a central monitoring
3 system;

4 (D) \$ for the installation of automated
5 sprinkler systems;

6 (E) \$ for the installation of energy
7 management and heating, ventilation, and air
8 conditioning monitoring systems;

9 (F) \$ for the installation of security
10 systems that utilize smart building technologies;
11 and

12 (G) \$ for the installation of building
13 health monitoring systems.

14 **§431:10E-C Insurance premiums; discounts; disaster**
15 **response plans.** Each property insurer that provides property
16 insurance to an association pursuant to section 514B-143(a)(1)
17 shall offer a discount on the association's annual insurance
18 premium equal to \$ if the association develops a
19 comprehensive disaster response plan to minimize losses and
20 claims in an emergency.

1 **"PART . INSURANCE PREMIUM INCREASES**

2 **§431:10E-AA Definitions.** As used in this part:

3 "Condominium" has the same meaning as in section 514B-3.

4 "Condominium that has received or is actively pursuing an
5 acceptable score on a building fire and life safety evaluation"
6 means a condominium:

7 (1) Located in a county that has adopted an ordinance that
8 amends the state fire code by:

9 (A) Authorizing the use of fire prevention and fire
10 safety systems as an alternative to the use of an
11 approved automatic sprinkler system; and

12 (B) Requiring the condominium to receive an
13 acceptable score on a building fire and life
14 safety evaluation for the alternative to the
15 required use of an approved automatic sprinkler
16 system; and

17 (2) That has either:

18 (A) Received and is currently maintaining an
19 acceptable score on a building fire and life
20 safety evaluation for the alternative to the

1 required use of an approved automatic sprinkler
2 system; or

3 (B) Completed a building fire and life safety
4 evaluation for the alternative to the required
5 use of an approved automatic sprinkler system
6 and:

7 (i) Is actively pursuing the recommendations of
8 the evaluation by hiring a licensed design
9 professional;

10 (ii) Is actively pursuing a permit for the
11 improvements; and

12 (iii) Will complete the improvements by the
13 beginning of the next property insurance
14 policy period.

15 "Premium increase" means any upward adjustment in the
16 insurance premiums charged by a property insurer for coverage on
17 a condominium property.

18 "Property insurer" means any entity providing property
19 insurance in the State under this chapter.

1 **§431:10E-BB Insurance premium adjustment.** (a) Any
2 property insurance premium increase applicable to a condominium
3 shall be:

4 (1) Based on actuarial justifications that reflect actual
5 risk reduction resulting from upgraded fire safety
6 improvements installed in conjunction with a building
7 fire and life safety evaluation; and

8 (2) Accompanied by a detailed written explanation,
9 including actuarial data and risk assessments
10 supporting the increase.

11 (b) No property insurance premium applicable to a
12 condominium that has received or is actively pursuing an
13 acceptable score on a building fire and life safety evaluation
14 shall be increased by more than ten per cent from the previous
15 year unless the property insurer demonstrates, through
16 independently verified data, that an amount in excess of ten per
17 cent is necessary due to external factors, including natural
18 disaster risk assessments or market-wide claims experience.

19 **§431:10E-CC Filing and oversight requirements.** (a) Each
20 condominium property insurer shall file an annual report with

1 the commissioner detailing and providing justification for all
2 condominium premium increases, including but not limited to:

3 (1) Any actuarial data used to justify a premium increase;
4 and

5 (2) A summary of any predictive modeling tools and
6 techniques, including catastrophe modeling, used to
7 justify a premium increase; provided that the summary
8 shall include a description of each modeling tool or
9 technique, the results of the modeling done using the
10 tool or technique, and an explanation of why those
11 results justify a premium increase.

12 (b) If a property insurer believes that any portion of the
13 report filed pursuant to subsection (a) includes proprietary
14 information that should be withheld from disclosure as
15 confidential, then the property insurer shall inform the
16 commissioner in writing and provide justification to support the
17 property insurer's claim.

18 (c) The commissioner shall review the information
19 submitted pursuant to subsection (b) and determine whether the
20 information should be withheld from disclosure as confidential.
21 The commissioner's decision shall be final. If the commissioner

1 determines that the information is confidential, the information
2 shall be exempt from public disclosure to the extent permitted
3 by chapter 92F.

4 (d) The commissioner shall make all reports available to
5 the public on the insurance division's website; provided that
6 any portion of the report deemed confidential pursuant to
7 subsection (c) shall not be disclosed.

8 (e) The commissioner shall review property insurer filings
9 to ensure compliance with this part and investigate complaints
10 of unjustified premium increases.

11 **§431:10E-DD Penalties.** (a) Any property insurer that
12 imposes a premium increase in violation of section 431:10E-BB
13 shall:

14 (1) Be subject to a fine of up to \$10,000 per violation;

15 and

16 (2) Refund excessive increases in premium payments.

17 (b) The commissioner may suspend or revoke the license to
18 operate in Hawaii of any property insurer that commits five or
19 more violations of this part within a ten-year period."

20 PART III

1 SECTION 5. If any provision of this Act, or the
2 application thereof to any person or circumstance, is held
3 invalid, the invalidity does not affect other provisions or
4 applications of the Act that can be given effect without the
5 invalid provision or application, and to this end the provisions
6 of this Act are severable.

7 SECTION 6. In codifying the new sections added by sections
8 2 and 4 of this Act, the revisor of statutes shall substitute
9 appropriate section numbers for the letters used in designating
10 the new sections in this Act.

11 SECTION 7. This Act shall take effect on July 1, 2025.

12

INTRODUCED BY: Carol Furumaga

S.B. NO. 804

Report Title:

Condominiums; Property Insurance; Insurance Premiums; Discounts; Risk Mitigation Upgrades; Disaster Response Plans; Fire and Life Safety Evaluation

Description:

Requires property insurers to offer discounts on a condominium association's annual insurance premium if the association adopts specific risk mitigation upgrades or develops comprehensive disaster response plans. Requires property insurers of condominiums to base premium increases on actuarial justifications that reflect actual risk reduction resulting from upgraded fire safety improvements installed in conjunction with a building fire and life safety evaluation. Requires property insurers of condominiums to justify premium increases above 10%. Requires property insurers of condominiums to publicly report premium increases each year.
