In addition to any other acts or conditions provided in sections 436B-19 and 453-8, HRS, the board may refuse to renew, reinstate, or restore, or may deny, revoke, suspend, or condition in any manner, any license or certificate for any one or more of the following acts or conditions:

- (1) Failure to comply with, observe, or adhere to any law in a manner such that the board deems the licensee or certificate holder to be an unfit or improper person to hold a license or certificate;
- (2) Employing, utilizing, or attempting to employ or utilize at any time any person not licensed or certified where licensure or certification is required; or
- (3) Violating this chapter, the applicable licensing laws, or any rule or order of the board. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12, 436B-19) (Imp: HRS §§453-5.3, 453-8, 453-8.1, 453-32, 463E-6, 436B-19)

§16-85-112

§16-85-113 Suspended license or certificate. No license or certificate shall be suspended by the board for a period exceeding five years. A person whose license or certificate has been suspended may apply for reinstatement of the license or certificate to the extent authorized by law and upon complete compliance with any term or condition imposed by the order of suspension. The application for reinstatement shall be accompanied by all applicable fees, including but not limited to reinstatement fees and any compliance resolution fund fees. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12, 436B-4) (Imp: HRS §§453-5.3, 453-32, 436B-20)

§16-85-114 Revoked license or certificate. A person may apply for a new license or certificate after five years from the effective date of the revocation of the license or certificate by filing an application and complying with all current requirements for new applicants. The board may waive any applicable education or examination requirements upon being satisfied that the applicant whose license or certificate has been previously revoked, has submitted documentation that the applicant has maintained equivalent knowledge, competence, and qualifications through work experience, training, or education. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12, 436B-4) (Imp: HRS §§453-5.3, 453-32, 436B-21)

§16-85-115 Relinquishment no bar to jurisdiction. The forfeiture, nonrenewal, surrender, or voluntary relinquishment of a license or certificate by a licensee or certificate holder shall not bar jurisdiction by the board to proceed with any investigation, action, or proceeding to revoke, suspend, condition, or limit the license or certificate, or fine the licensee or certificate holder. [Eff and comp 12/22/97] (Auth: HRS §§436-5.1, 453-33, 463E-12, 436B-4) (Imp: HRS §436B-22)

§16-85-116 Summary suspension. (a) Notwithstanding any law to the contrary, the board or the board's delegate may cause the immediate suspension or restriction of a license or certificate, subject to subsequent notice and hearing or other adequate procedures, upon a specific determination that the failure to take such an action may result in:

- (1) An immediate and unreasonable threat to personal safety; or
- (2) Fraud or misrepresentation upon consumers, and that, for the protection of the public from the possible consequences of

practices, the licensee's license or certificate holder's certification should be immediately suspended or restricted.

(b) The board or the board's delegate may order the summary suspension of the license or certificate for a period not to exceed twenty days. The order of suspension shall be served upon the licensee or certificate holder at the same time as the notice of hearing for disciplinary action, and the hearing shall be scheduled prior to the expiration of the order of suspension. The period of suspension prior to the hearing shall not be extended beyond twenty days except upon request of the licensee or certificate holder for a reasonable continuance to adequately prepare the licensee's or certificate holder's defense. Any attempt by the licensee or certificate holder to continue the licensed activity while the license or certificate has been summarily suspended shall of itself be sufficient to warrant a permanent revocation of the license or certificate and shall subject the licensee or certificate holder to all penalties prescribed by this chapter, the applicable licensing laws, or any rule or order of the board. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12, 436B-4) (Imp: HRS §436B-23)

§16-85-117 Civil and criminal sanctions for unlicensed or uncertified activity; fines; injunctive relief; damages; forfeiture. (a) Any licensee or certificate holder aiding or abetting an unlicensed or uncertified person to directly or indirectly evade this chapter or the applicable licensing laws, or combining or conspiring with an unlicensed or uncertified person, or permitting one's license or certificate to be used by an unlicensed or uncertified person, or acting as agent, partner, associate, or otherwise, of an unlicensed or uncertified person with the intent to evade this chapter or the applicable laws may be fined up to \$1,000 for the first offense; up to \$2,000 or, if applicable, forty per cent of the total contract price, whichever is greater, for the second offense; and up to \$5,000 or, if applicable, forty per cent of the total contract price, whichever is greater, for any subsequent offense. For purposes of this section, "contract price" means the total monetary consideration offered by the consumer for the provision of goods and services.

(b) Any person, who engages in an activity requiring a license or certificate issued by the board and who fails to obtain the required license or certificate, or who uses any word, title, or representation to induce the false belief that the person is licensed or certified to engage in the activity, other than a circumstance of first instance involving the inadvertent failure to renew a previously existing license or certificate, shall be guilty of a misdemeanor and be subject to a fine of not more than \$1,000 or imprisoned not more than one year, or both, and each day's violation shall be deemed a separate offense.

§16-85-117

(c) The board or any person may maintain a suit to enjoin the performance or the continuance of any act or acts by a person acting without a license or certificate where a license or certificate is required by law, and if injured thereby, for the recovery of damages. The board may also seek the imposition of fines provided by subsection (a). The plaintiff or petitioner in a suit for an injunction need not allege or prove actual damages to prevail. Reasonable attorney fees and costs shall be allowed by the court to the plaintiff or petitioner as the prevailing party.

(d) All tools, implements, armamentariums, documents, materials, or any other property used by any person to provide professional services without a license or certificate required by law shall be declared forfeited to the State by the court and turned over to the department of commerce and consumer affairs for disposition as it deems appropriate. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12, 436B-4) (Imp: HRS §§453-5.3, 453-33, 436B-28)

§16-85-118 Remedies or penalties cumulative. Unless otherwise expressly provided, the remedies or penalties provided by this chapter are cumulative to each other and to the remedies or penalties available under all other laws of this State. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12, 436B-4) (Imp: HRS §436B-28)

§16-85-119 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12, 436B-4) (Imp: HRS §§91-9, 91-9.5, 91-10, 91-11, 91-12, 436B-29)

§16-85-120 Hearings; judicial review. Unless otherwise provided by law, in every case in which the board refuses to issue, renew, restore, or reinstate a license or certificate, or proposes to take disciplinary action or other licensing sanctions against a licensee or certificate holder, the proceeding shall be conducted in accordance with chapter 91. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12, 436B-4) (Imp: HRS §§91-9, 91-9.5, 91-10, 91-11, 91-12, 436B-24)

§16-85-121 Criminal conviction. (a) When an applicant, licensee, or certificate holder has been convicted of a crime related to the profession and it is determined that the conviction may be considered under section 831-3.1, HRS, or chapters 453 or 463E, HRS, the board may request the following documents from the applicant, licensee, or certificate holder:

- (1) Copies of any court records, orders, or other documents that state the facts and statutes upon which the applicant was convicted, the verdict of the court with regard to that conviction, the sentence imposed, and the actual terms of the sentence; and
- (2) Affidavits from any parole officer, employer, other physicians, or other persons who can attest to a firm belief that the applicant has been sufficiently rehabilitated to practice.

(b) The applicant, licensee, or certificate holder shall provide any documents requested within thirty days of the request. [Eff and comp 12/22/97] (Auth: HRS §§453-5.1, 453-33, 463E-12) (Imp: HRS §§453-3, 453-4, 453-4.5, 453-5.1, 453-5.3, 453-7.5, 453-8.3, 453-33, 463E-3)
