

IMPORTANT NOTICE FOR ALL PSYCHOLOGISTS REGARDING CONTINUING EDUCATION (CE) REQUIREMENTS

Beginning with the 6/30/2018 renewal of your psychologist license and for every biennial renewal thereafter, you are required to complete 18 hours of continuing education ("CE") within every licensing biennium pursuant to Hawaii Revised Statutes §465-11.

Failure to do so will result in the forfeiture of your license.

Courses approved by the American Psychological Association, the Hawaii Psychological Association, or other state or provincial psychological associations will be accepted by the Board.

For the next renewal on 6/30/2018, you must earn at least 18 credit hours of CE between 7/1/2016 and 6/30/2018.

One Time Exemption: A first-time licensee is exempt from the CE requirement for the first license renewal. Hence, anyone licensed between 7/1/2016 and 6/30/2018 is exempt from the CE requirement for the 6/30/2018 renewal.

The Board may conduct random audits to determine compliance with the continuing education requirement.
