Inquiry:

A. Can a licensed esthetician perform “nanoneedling?”

Executive Officer Kleinhans stated the Board received an inquiry on whether a licensed esthetician could perform nanoneedling. He commented that in the past, the Board determined that micro-needling, which is similar to nanoneedling, did not fall within the practice of cosmetology and the Board’s regulatory oversight.

After discussion, it was moved by Chairperson McKay, seconded by Mr. Choi, and unanimously carried to determine that nanoneedling does not fall within the practice of cosmetology (which includes esthetics) and the Board’s regulatory oversight.

In accordance with HAR section 16-201-90, the above interpretation is for informational and explanatory purposes only. It is not an official opinion or decision, and thus, is not to be viewed as binding on the Board.
