INSTRUCTIONS FOR FILING

APPLICATION

Complete **all** pages of the application.

Failure to provide all the requested information will delay the processing of your application.

An entity (corporation, partnership, joint venture, LLC or LLP) cannot be issued a license without having in its employ a principal responsible managing employee (RME). The RME must file a separate application form if not already licensed.

FEES

Attach the \$50 non-refundable application fee for each application filed. Additional fees will be assessed after board approval. Make checks payable to: COMMERCE AND CONSUMER AFFAIRS. (check must be in U.S. dollars and be from a U.S. financial institution.)

NOTE: One of the numerous legal requirements that you must meet in order for your new license to be issued is the payment of fees as set forth in this application. You may be sent a license certificate before the payment you sent us for your required fees is honored by your bank. If your payment is dishonored, you will have failed to pay the required licensing fee and your license will not be valid, and you **may not** do business under that license. Also, a \$25.00 service charge shall be assessed for payments that are dishonored for any reason.

If for any reason you are denied the license you are applying for, you may be entitled to a hearing as provided by Title 16, Chapter 201, Hawaii Administrative Rules, and/or Chapter 91 Hawaii Revised Statutes. Your written request for a hearing must be directed to the agency that denied your application, and must be made within 60 days of notification that your application for a license has been denied.

ASBESTOS CONTRACTOR

The contracting entity (corporation, partnership, joint venture, LLC or LLP) shall submit proof of successful completion by the RME, and all asbestos abatement employees of the contracting entity, of Environmental Protection Agency (EPA) or board approved asbestos training courses. RMEs shall have taken a 4-day course; abatement workers shall have taken a 3-day course within two years prior to filing the application.

FINANCIAL STATEMENT

Submit a current (not more than a year old) COMPILED, REVIEWED, OR AUDITED financial statement accompanied by an independent accountant's report. The accountant must be a licensed or certified public accountant holding a current permit to practice. If the accountant is licensed in another state, **provide a copy of the license.**

For COMPILED and REVIEWED financial statements: Applicant is required to sign the Board's Financial Statement Form whether or not your CPA uses the Board's Financial Statement Form.

CREDIT REPORT

Submit a current and complete credit report for each officer, partner, manager, or member, (from a credit reporting agency **issued not more than 6 months ago**) covering at least the previous 5 years. If a partner or member is a business entity, submit credit reports on the entity's officers or the business entity's credit report (i.e. Comprehensive Dun & Bradstreet report) covering at least the previous 5 years.

A complete credit report must contain, at minimum, detailed account information on each of your current and past debts, the status of those debts, whether you are current or delinquent in paying any of those debts, and the existence or not of any public records. A credit report that only provides a summary or a credit score is not a complete credit report. For more information on credit reports, please go to the Federal Trade Commission's website at: <https://www.consumer.ftc.gov/articles/0155-free-credit-reports> or go to www.ftc.gov and enter "credit report" in the search box.

TAX CLEARANCE

Submit a current Hawaii State Tax Clearance (**issued not more than 6 months old**) with an **original** State Department of Taxation stamp. *(Not applicable to corporations, partnerships, joint ventures, LLCs or LLPs registered in Hawaii less than 1 year).*

TRADE NAME

If you are planning to use a trade name, **submit** a filed-stamped copy of **current** trade name registration approved by the Business Registration Division of the Department of Commerce and Consumer Affairs.

ENTITY REGISTRATION: CORPORATION/ PARTNERSHIP LLC or LLP

All entities must be properly registered with the Business Registration Division (BREG), Department of Commerce and Consumer Affairs, State of Hawaii, P.O. Box 40, Honolulu, HI 96810. *(Please call them for the proper forms at (808) 586-2727) or visit their website at: cca.hawaii.gov/breg to order Certificates of Good Standing, forms, etc.*

If the entity has been registered in this state for MORE THAN ONE (1) YEAR, **ATTACH** a current "Certificate of Good Standing" issued not more than 1 year ago.

RME/ENTITY APPOINTMENT

RME licensed in Hawaii: Have RME submit a letter confirming employment with applicant and confirming termination of employment with former employer or request to be the RME for both contracting entities ("dual" status). IF requesting dual status, provide documentation verifying one of the following requirements:

LICENSE REQUIREMENTS

Upon Receiving Board Approval

WORKERS' COMPENSATION INSURANCE

Workers' Compensation - Submit a certificate of workers' compensation insurance from an insurance company authorized to do business in this State, and a statement from the insurance carrier that the board will be notified of any withdrawal, termination, or cancellation of the insurance.

Single member, member managed LLC's with **NO** employees may file a form prescribed by the board, in lieu of workers' compensation insurance.

Corporations may file a form prescribed by the board in lieu of workers' compensation insurance WHEN the RME owns at least 50% of the corporation and there are NO OTHER EMPLOYEES.

Joint Ventures must file workers' compensation certificates.

LIABILITY AND PROPERTY DAMAGE INSURANCE

Submit a certificate of insurance from an insurance company or agency authorized to do business in this State, showing full policy coverage of the applicant for comprehensive bodily injury and property damage liability with the following minimum limits of liability:

Bodily Injury Liability	\$100,000	each person
	\$300,000	each occurrence
Property Damage Liability	\$ 50,000	each occurrence

OUT-OF-STATE CONTRACTORS: The Board will accept **liability** insurance from a non-admitted carrier, if the producer qualifies for an exemption under HRS §431:9A-104(b)(6).

PLACE OF BUSINESS

A licensed contractor shall have and maintain a definite place of business where the licensee may be served notice and legal process in the State and shall display therein the contractor's license. Post Office Box number is not accepted as a place of business.

FEES

License fees will be due. Specific amounts will be given at the appropriate time.

ENTITY-RME DEPENDENCY

A corporation, partnership, joint venture, LLC or LLP cannot be issued a license without having in its employ a responsible managing employee (RME). The entity must file a separate application from the RME and both must pay separate fees in order to be licensed.

ATTENTION: CONTRACTORS APPLYING FOR ELECTRICAL OR PLUMBING RELATED CLASSIFICATIONS

Please be advised that in order to perform **electrical or plumbing** work in Hawaii, **an individual must also obtain an electrician (i.e. ES or EJ) or plumber (PM or PJ) license. IF your RME is not licensed as an electrician or plumber in accordance with Chapter 448E, you must employ a licensed electrician or plumber to actually perform the electrical or plumbing work.** (Refer to Hawaii Revised Statutes Section 444-9.5 and Chapter 448E). **YOU MAY NEED THIS TYPE OF LICENSE TO GET A BUILDING PERMIT.**

(CONTINUED ON PAGE 7)

MAINTAINING THE LICENSE

MAINTAIN INSURANCE

Maintain continuous insurance coverage throughout licensure and keep on file in the board's office evidence of such coverage.

Failure to maintain continuous liability and workers' compensation coverages causes automatic forfeiture of license, and if continuous coverage is not reinstated within sixty (60) days, shall require the entity and RME to apply as a new applicant.

Please inform your insurance agent that using the Insurance Certificate Electronic Online Submittal System at: pvl.hawaii.gov/inikua/public/welcome.html provides faster processing of your contractor insurance certificates.

ENTITY-RME DEPENDENCY

If for any reason the Responsible Managing Employee leaves the contracting entity, the contracting entity must notify the Board within 60 days. Within 90 days of the RME leaving the contracting entity, the contracting entity must (1) file an application to qualify a new RME, (2) appoint an appropriately licensed RME, or (3) file an application to place the license on inactive status. Failure to notify the board and apply for a new RME or place the license on inactive status within the required time period causes the license to be **FORFEITED** automatically.

PLACE OF BUSINESS

Maintain a place of business.

BIENNIAL RENEWAL

All licenses, regardless of issuance date, are subject to renewal by **September 30 of each even-numbered year**. To ensure receipt of a renewal application, keep the board informed of your address. Applications are sent by mail before August 15, of each even-numbered year. Licenses not renewed by September 30 are forfeited and the holders of a forfeited license are considered unlicensed and may not practice. Restorations of forfeited licenses are accepted until November 30 of the even-numbered year with a penalty fee. After November 30, restoration is not accepted and a new application for a license is required.

RELEASE OF INFORMATION

If an agency or individual is assisting you with the licensure process, we will not be able to release any information to them unless you provide us with authorization. If you wish to do so, please complete the portion on "**Release of Information to Third Party**", sign and date it.

This material can be made available for individuals with special needs. Please call the Licensing Branch Manager at (808) 586-3000 to submit your request.

Pursuant to §436B-9, Hawaii Revised Statutes, your application shall be considered abandoned and shall be destroyed if you fail to provide evidence of continued efforts to complete the licensing process for two consecutive years. The failure to provide evidence of continued efforts includes, but is not limited to:

- (1) failure to submit any required information and documents requested by the licensing authority within two consecutive years from the last date the documents and information were requested, or
- (2) failure to complete any additional requirements for licensure that remain after approval of your application, such as attempting to complete an examination requirement, within two consecutive years from the date your application was approved, or
- (3) failure to provide the licensing authority with any written communication during two consecutive years indicating that you are attempting to complete the licensing process.

If an application is deemed abandoned, the applicant shall be required to reapply for licensure and comply with the licensing requirements in effect at the time of the reapplication.

Frequently Asked Questions regarding Abandoned Applications

- 1) Q: If after receiving my application the board or program requests additional information, how much time do I have to provide them with the requested information before my application is deemed abandoned?
A: You have two years from the date the information is requested.
- 2) Q: If I am an applicant who is required to take a licensing examination in order to complete the licensing process and my application to take the licensing examination is approved, how much time do I have to complete the examination requirement before my application is abandoned?
A: You must make an attempt to take the examination within two years from the date your application is approved.
- 3) Q: What is meant by "attempt to take the examination?"
A: You must register and take the examination.
- 4) Q: If the statutes or rules of the boards or programs do not set time limits on taking and passing the examination, and the only requirement left for me to become licensed is to pass the examination, and within the two year period I should fail the examination, re-register for the examination, but fail again, will my application be abandoned because I could not pass the examination within two years?
A: Your application will not be abandoned because you would have demonstrated your efforts to take the examination by registering for and taking the examination.

(NOTE: Our office will only be notified of your efforts if you take the examination as a Hawaii candidate. Examination results will not automatically be provided to our office if you sit for the examination via another state board. Therefore, if you are in this situation, please arrange for the test results to be sent to us).
- 5) Q: What does it mean if my application is abandoned?

To reapply, you must submit a new application and you will be required to comply with the licensing requirements and pay fees that are in effect at the time you submit your new application.

- 6) Q: Will you be providing a notice to me before my application is abandoned?
- A: It is not required that we notify you before your application is abandoned. However, some boards and programs have taken the initiative to send out notifications.
- 7) Q: Will any of the documents that supplemented my first application be saved in case I need to reapply?
- A: No. When you reapply, you will need to again provide us with documentation.
- 8) Q: Will the application fee that I paid with my first application carry over to cover the application fee for my new application?
- A: No. You will be required to again pay the non-refundable application fee.
- 9) Q: If my application has not been destroyed does this mean that it has not yet been deemed "abandoned?"
- A: No. Simply because an application has not been destroyed does not mean that it has not been deemed abandoned.
- 10) Q: If I am currently unable to complete the licensing process (eg., no continued effort), how do I prevent my application from being abandoned?
- A: You have two years to complete the licensing process. However, if you are unable to show continued effort for two consecutive years but you still intend to complete the licensing process, you must send a written communication to the board or program **prior** to the two year expiration explaining why you are unable to complete the licensing process within two years. Your written communication shall also request approval to complete the licensing process by a specific date after the two year expiration. You will be advised whether your request is approved or disapproved. If disapproved, your application will be destroyed and you will need to reapply for licensure.
- 11) Q: Who do I contact to find out if my application is soon to be abandoned?
- A: You may contact the Licensing Branch at (808) 586-3000.
