Executive Officer's Report: A. Licensing Examination of the National-Interstate Council of State Boards of Cosmetology ("NIC")

Executive Officer Kleinhans stated after reviewing the contract with Prometric, PVL Acting Exam Branch Chief and discussing

the matter with Client Success Director of Prometric Corporate Headquarters, Kimberly Farace, it appears that Prometric would be able to make the switch to the NIC examination without a legislative bill process. Ms. Farace stated that she does not see any barriers moving to the NIC content and computerizing the exam. Ms. Farace also noted that there would be a possibility to increase the frequency of test windows and continuous exams in the testing centers. Executive Officer Kleinhans plans to meet with Ms. Farace next month to finalize the process. If everything seems clear, we may take the matter up for vote at the next board meeting.

B. Results of the State Barber Examinations in June 2019

Executive Officer Kleinhans provided the following results:

Total Exams Passed	15	(31% pass rate)

Correspondence:

A. If a store is primarily a retail store, but has extra rooms to rent out to Beauty Operators, does the store itself need a Beauty Shop license?

Discussion ensued on the question of "If a store is primarily a retail store, but has extra rooms to rent out to Beauty Operators, does the store itself need a Beauty Shop license?"

Ms. Severson and Mr. Nelson discussed current examples of barbers and beauty operators renting out space from a lessor,

whether through lease or sublease. Mr. Nelson stated that two separate rooms leased out to two separate shop owners would require two separate shop licenses. On the contrary, where one shop owner obtains a lease for two separate rooms; for example, located in the same hallway, one shop license would possibly be sufficient. Ms. Williams commented that “sublessee” may be appropriate terminology.

After discussion, it was moved by Ms. Williams, seconded by Ms. Severson, and unanimously carried that specifically for retail stores, the retail store does not need the beauty shop license; however, each lessee or sublessee in the retail store that engages in barbering or beauty activity would need a shop license.

Scope of Practice: A. What license is required to perform “vampire facials”?

The Board briefly discussed “vampire facials”, a skin treatment that involves platelet rich plasma. After discussion, it was moved by Ms. Williams, seconded by Ms. Severson, and unanimously carried that “vampire facials” does not fall under the scope of practice of its licensees.

Open Forum: None.

Next Board Meeting: Monday, July 15, 2019  
12:00 p.m.  
Queen Liliuokalani Conference Room  
King Kalakaua Building  
335 Merchant Street, 1<sup>st</sup> Floor  
Honolulu, Hawaii 96813

Announcements: Mr. Nelson is not able to attend the upcoming Board Meeting scheduled for Monday, July 22, 2019. Discussion ensued about moving the upcoming Board Meeting up to July 15, 2019. Executive Officer Kleinhans stated he will follow up with all Board Members to confirm and finalize the new date of July 15, 2019 for the next Board Meeting.
