Executive Officer's Report: a. DCCA Disciplinary Actions March through July 2019

EO Fernandez stated that there were no disciplinary actions from June through July 2019.

The following agenda item was taken out of order:

New Business: b. Research: discussion on telehealth, telepractice, and teletherapy

EO Fernandez informed the Board, that he had done some research on the use of the terms "telehealth", "telepractice" and "teletherapy" in speech pathology, and found all were used within the practice. He further noted that the Hawaii Medical Board is the only board that has telehealth language within their statutes in the State of Hawaii, and that other statute chapters pertaining to Boards and Programs representing health professions in the PVL are silent on the subject. So, when licensees ask if they may provide these types of services, this Board as well as others, have provided an informal opinion which states that their interpretation is that the licensee should refrain from the use of telehealth, telepractice, or teletherapy.

Please be advised that in accordance with Hawaii Administrative Rules §16-201-90, interpretations by the Board are for informational and explanatory purposes only. They are not an official opinion or decision, and therefore are not to be viewed as binding on the Board or the Department of Commerce and Consumer Affairs.

After further discussion with the Board, EO Fernandez stated that he wanted to keep the board familiarized with these types of discussions regarding telehealth, telepractice, teletherapy and that the Board should keep current on this national trend of their use. He offered his assistance if the Board members wanted more information. He also stated that previous discussions on the subject suggest that the public should try to get a bill introduced at the State Legislature regarding the practice, if it is to be clearly a part of the scope of practice for speech pathologist or audiologists. The Board can then decide to support or oppose any bill based on their duty to protect the public. Board members agreed.

Legislation: a. HB 252 Relating to Speech Pathology (Act 235)

Establishes a provisional license for speech pathologists.

EO Fernandez said that Act 235 was signed by the governor on July 2, 2019 providing for provisional license. The effective date is January 1, 2022 and valid for one year, which may be renewed for an additional one-year period.

The following agenda item was taken out of order:

New Business: a. Board review and approval: RICO SPAU Advisory Committee

The Board reviewed RICO's SPAU Advisory Committee list and Addendum language for the 2020 term.

It was motioned by Dr. Ching, seconded by Ms. Hu, and unanimously carried to approve the members on the Advisory Committee list and Addendum language for the 2020 term.

Next Meeting Friday, December 6, 2019
Date: Queen Liliuokalani Conference Room
King Kalakaua Building
335 Merchant Street, 1st Floor
Honolulu, Hawaii 96813

Adjournment: There being no further business to discuss, the meeting was adjourned at 2:55 p.m.
