IMPORTANT ANNOUNCEMENT FOR NURSE EXAM APPLICANTS

Effective immediately, Pearson Vue has closed **all** of its testing sites due to the COVID19 pandemic until further notice.

If you were scheduled to sit for the exam, you will be able to reschedule.

If you are registered but have not received your authorization to test ("ATT") due to the closing of Pearson Vue, you may receive your ATT but not able to schedule your exam until Pearson Vue reopens their testing sites.

Note: Pearson Vue issues the ATT, NOT the Board of Nursing. You should refer any questions regarding the status of your ATT to Pearson Vue.

If you were scheduled to take the exam but cannot due to the closure of the testing sites and your "complete by" date (2 year abandonment date...i.e. 2 years since you took the exam) is coming up, as long as we can verify that you were scheduled/registered to sit for the exam, we may extend your "complete by" date for your Hawaii nurse exam application. Please retain your ATT and any other dated documentation reflecting that you were scheduled/registered to sit for the exam prior to March 17, 2020.

We are experiencing a very high volume of phone calls regarding this matter. Please be patient.

Lee Ann Teshima
Executive Officer
Hawaii State Board of Nursing
