Agenda: The agenda for this meeting was posted on the State electronic calendar as required by HRS section 92-7(b).

A short video was played to explain procedures for this virtual meeting and how members of the public can participate and interact with the Board during the meeting.

Chairperson Leong proceeded with roll call. All Board members were present.

Call to Order: There being a quorum present, Chairperson Leong called the meeting to order at 9:00 a.m.

Mr. Steven C. Freiberger inquired about the status of his application. The Board informed him that his application is on the meeting agenda under "Appearances Before the Board" and would call him into the meeting when it came to his application on the agenda.

Minutes: It was moved by Mr. Isemoto, seconded by Mr. Higashihara, and carried by the majority, to approve the Applications Committee Meeting Minutes of November 9, 2020 and the Board Meeting and Executive Session Meeting Minutes of October 16, 2020, as circulated.

Chapter 91, HRS,
Adjudicatory
Matters:

Chairperson Leong called for a recess from the Board's meeting at 9:14 a.m. to discuss and deliberate on the following adjudicatory matters pursuant to HRS chapter 91.

1. Settlement Agreements

a. In the Matter of the Contractors' Licenses of Always on Electric Power and Charles F. Meredith; CLB 2019-157-L

RICO alleges that Always on Electric Power and Charles F. Meredith ("Respondents") were paid by an unlicensed contractor to obtain an electrical permit for re-wiring a house, knowing that the electrical work was to be performed by that unlicensed contractor.

If proven at an administrative hearing, the allegation would constitute a violation of the following statute: HRS section 444-9.3 (aiding and abetting).

Respondents agree to pay an administrative fine in the amount of \$5,000.00.

b. In the Matter of the Contractor's License of Peter W.Y. Ma; CLB 2017-274-L; CLB 2018-55-L; CLB 2018-56-L

RICO received several complaints alleging that Ohana Builders Group, Inc. failed to complete their renovation projects.

RICO alleges that Peter W.Y. Ma ("Respondent") permitted a part owner of Ohana Builders Group, Inc. who did hold a valid Hawaii contractors license, to write checks and enter into contracts for projects without review or approval of Respondent.

If proven at an administrative hearing, the allegations would constitute violation of the following statute and rule: HRS section 444-17(9) (officer or employee of a corporation who does not hold a license shall not have direct management of the contracting business) and HAR section 16-77-71 (RME shall be familiar with all contracts and RME is held responsible for any violation of contractor licensing laws).

The Respondent agrees to pay an administrative fine in the amount of \$2,500.00.

Note: Paragraph A. 1. 6. should state, "RICO alleges that Respondent permitted a part owner of Ohana Builders Group, Inc., who did not hold a valid Hawaii contractor license, to write checks and enter into contracts for projects without review or approval of Respondent."

After discussion it was moved by Mr. Higashihara, seconded by Mr. Arita, and carried by the majority (Mr. Hayashi lost audio), to approve the Settlement Agreement Prior to Filing of Petition for Disciplinary Action in each of the above cases.

2. Board's Final Order

a. In the Matter of the Contractor's Licenses of Brilliant Construction and Benny Lee; CLB 2018-284-L

On March 24, 2017, the City and County of Honolulu, Department of Planning and Permitting ("the DPP") issued Notice of Violation ("NOV") no. 2017/NOV-03-152[BV]) to the Gary Chan Trust as owner ("Owner"), Brilliant Construction Inc ("Respondent Brilliant") as contractor, and Jimmy S. Wu, AIA ("Wu") as architect for constructing a new concrete masonry unit wall higher than six feet without a building permit, in violation of several sections of Chapter 18 of the Revised Ordinances of Honolulu ("ROH"). The NOV stated that a double fee penalty was assessed for starting work without first obtaining a building permit. The NOV also ordered work to be stopped immediately.

On July 24, 2017, because the violation described in 2017/NOV-03-152 (BV) had not been corrected, the DPP issued Notice of Order ("NOO") no. 2017/NOO-221. 2017/NOO-221 imposed a fine of \$50.00 payable by August 24, 2017. 2017/NOO-221 also stated that if the violation was not corrected by August 24, 2017, a daily fine of \$50.00 would be assessed until the correction was completed.

On June 27, 2017, the DPP issued 2017/NOV-06-160 (BV) to Respondent Brilliant, Owner and Wu for starting work on a two-story structure without a building permit, in violation of several sections of Chapter 18, ROH. 2017/NOV-06-160 (BV) stated that a double fee penalty was assessed and ordered work to stop immediately. 2017/NOV-06-160 (BV) further ordered the parties to obtain a proper building permit and/or correct the violation by July 27, 2017.

On March 23, 2018, because the violation in 2017/NOV-06-160 (BV) was not corrected, the DPP issued Notice of Order No. 2017/NOO-253. 2017/NOO-253 ordered the parties to pay a fine of \$1,000 by April 23, 2018 and correct the violation by March 27, 2018. If corrective action was not completed by March 27, 2018, 2017/NOO-253 imposed a daily fine of \$1,000 until the correction was completed.

2017/NOO-253 also stated, "[b]ecause this is a recurring NOV/Notice of Order (NOO)[..]in which a previous NOV/NOO (Reference Nos. 2017/NOV-03-152 and 2017/NOO-221) were issued for a violation of a similar nature the civil fine has been increased above the \$250 that would usually be assessed for the first offense and the due process time to correct the violation has been reduced since the violation also involves non-compliance with the [Stop Work Order]".

The DPP offered to reduce the total fine imposed by 2017/NOO-253 to \$129,000.00 in exchange for payment of the reduced fine within 30 days of the offer. The offer was not accepted by payment within thirty days. Respondents have not paid the fine amount assessed in 2017/NOV-06-160 (BV). The outstanding fine(s) for 2017/NOV-06-160 (BV) totaled \$198,000.00 at the time of the hearing.

On January 14, 2019 Respondents paid a fine of \$4,180.00 to the City and County of Honolulu to resolve 2017/NOV-03-152(BV) and 2017/NOO-221.

The Hearings Officer recommends that the Board find and conclude that the preponderance of the evidence established that Respondent Brilliant violated HRS §§ 436B-19(8), and 444-17(6), and Respondent Lee violated HAR § 16-77-71(a)(5). The Hearings Officer recommends that the Board find and conclude that the preponderance of the evidence failed to establish that Respondent Lee violated HAR § 16-77-71(a)(1).

For the violations found, the Hearings Officer recommends that Respondent Brilliant and Respondent Lee be fined \$2,500.00 each. The Hearings Officer further recommends that the Board order Respondents to fully satisfy the fine imposed in 2017/ NOO-253 within six months of the entry of the Board's Final Order. The Hearings Officer recommends that the Board further order that, if the aforementioned fine is not paid within the time period proscribed, Respondents' licenses shall be revoked upon the filing of an Affidavit by the Regulated Industries Complaints Office.

After discussion, it was moved by Mr. Higashihara, seconded by Mr. Arita, and carried by the majority (Mr. Hayashi lost audio) to adopt the Hearings Officer's recommended decision as the Board's Final Order in this case.

Following the Board's review, deliberation and decisions in these matters pursuant to HRS chapter 91, Chairperson Leong announced that the Board was reconvening to its open meeting at 9:47 a.m.
