Chapter 91, HRS, Adjudicatory Matters:

Chairperson Leong called for a recess from the Board's meeting at 9:10 a.m. to discuss and deliberate on the following adjudicatory matters pursuant to HRS chapter 91.

1. Settlement Agreements
 - a. In the Matter of the Contractor's License of Ryan A. Thompson formerly doing business as Pro Solar Hawaii; CLB 2015-231-L

RICO received a complaint alleging that, in 2014, Ryan A. Thompson formerly doing business as Pro Solar Hawaii ("Respondent") exhibited poor workmanship in the installation of a residential photovoltaic system (the "Project").

RICO alleges that Respondent failed to include required information and disclosures in the contract for the Project.

If proven at an administrative hearing, the allegations would constitute violations of the following statute and rules: HRS section 444-25.5 (required disclosures in homeowner contracts) and HAR section 16-77-80 (required information and disclosures in homeowner contracts) and 16-77-97 (poor workmanship).

Respondent agrees to pay an administrative fine in the amount of \$2,500.00.

After discussion it was moved by Mr. Teves, seconded by Mr. Arita (with Mr. Isemoto recusing himself), and carried by the majority, to approve the Settlement Agreement Prior to Filing of Petition for Disciplinary Action in the above case.

- b. In the Matter of the Contractor's License of Holika Manupele doing business as DSK Contractor; CLB 2020-3151-L

On or about February 20, 2020, Holika Manupele doing business as DSK Contractor ("Respondent") entered a written contract to construct a wall at a home in Koloa, Hawaii, but did not provide the homeowner with verbal or written disclosures regarding lien or bonding rights.

If proven at an administrative hearing, the allegations would constitute violations of the following statute and rule: HRS section 444-25.5(a) and (b) (requiring verbal and written disclosure of lien and bonding rights) and/or HAR section 16-77-80 (requiring disclosures in written contracts with homeowners).

Respondent agrees to pay an administrative fine in the amount of \$500.00.

After discussion it was moved by Mr. Teves, seconded by Mr. Arita, and unanimously carried, to approve the Settlement Agreement Prior to Filing of Petition for Disciplinary Action in the above case.

c. In the Matter of the Contractors' Licenses of All In One Construction Inc. and Philip E. Blake; CLB 2019-255-L

In August of 2016, All In One Construction Inc. and Philip E. Blake ("Respondents AIO and Blake") entered into a written contract with a homeowner. The contract called for Respondents to build out a commercial unit in Lahaina in exchange for \$109,270.00.

RICO alleges that Respondent AIO failed to make and keep records showing all contracts, documents, records, receipts, and disbursements by a licensee for a period of three years after completion, in violation of HRS section 444-17(7) (failure to keep and maintain records of transactions for three years).

RICO further alleges that Respondent Blake failed to have direct management of Respondent AIO and the contracts entered into by Respondent AIO and Richard Januzzi in violation of HAR section 16-77-70(b) (the contracting business shall be under the direct management of the principal RME).

RICO alleges that Respondent Blake, as the RME for Respondent AIO, was not familiar with the contracts entered into by Respondent AIO in violation of HAR section 16-77-71(a)(2).

RICO alleges that Respondent Blake has failed to see that records were kept for the contract with Complainant in violation of HAR section 16-77-71(a)(3).

RICO alleges that Respondent Blake was not present in Hawaii during the time the project was under construction in violation of HAR section 16-77-71 (a)(4).

Respondents AIO and Blake agree to the voluntary surrender of their respective licenses. The surrender shall become effective March 1, 2021. Respondents shall turn in all indicia of the licenses to the Executive Officer of the Board within ten (10) days after receipt of notice that this Settlement Agreement has been approved.

After discussion it was moved by Mr. Teves, seconded by Mr. Arita, and unanimously carried, to approve the Settlement Agreement Prior to Filing of Petition for Disciplinary Action in the above case.

Following the Board's review, deliberation and decisions in these matters, pursuant to HRS chapter 91, Chairperson Leong announced that the Board was reconvening to its open meeting at 9:24 a.m.

Executive
