You must report your changes to the Board within thirty (30) days of the changes. All changes must be reported in writing. If you let your license lapse for longer than one year, you must file a new application and meet requirements, including the academic, clinical training and national examination requirements that are in effect at the time of filing.

LAWS & RULES To obtain a copy of the acupuncture laws (Chapter 436E, Hawaii Revised Statutes) and rules (Title 16, Chapter 72, Hawaii Administrative Rules), send a written request to: Board of Acupuncture, Commerce & Consumer Affairs, P.O. Box 3469, Honolulu, HI 96801. Chapter 436B, Hawaii Revised Statutes, the Professional and Vocational Licensing Act should be read in conjunction with the above statutes.

The laws and rules are also posted on our website at: cca.hawaii.gov/pvl. Look under "Acupuncture".

APPLICANTS WITH SPECIAL NEEDS

If you are requesting special testing arrangements due to a disability, call (808) 586-2711 immediately to obtain a Disability Certification Form that must be completed by an approved professional, and submitted preferably prior to your exam application, but no later than the exam filing deadline. Determination of qualification for special testing arrangements will then be made and if so, the type of special testing arrangements to be provided.

No action will be taken to provide special testing arrangements until your exam application has been approved.

ABANDONMENT OF APPLICATION

Pursuant to HRS §436B-9 your application shall be considered abandoned and shall be destroyed if you fail to provide evidence of continued efforts to complete the licensing process for two consecutive years. The failure to provide evidence of continued efforts includes but is not limited to: (1) failure to submit any required information and documents requested by the licensing authority within two consecutive years from the last date the documents and information were requested, or (2) failure to complete any additional requirements for licensure that remain after approval of your application, such as attempting to complete an exam requirement, within two consecutive years from the date your application was approved, or (3) failure to provide the licensing authority with any written communication during two consecutive years indicating that you are attempting to complete the licensing process. If an application is deemed abandoned the applicant shall be required to reapply for licensure and comply with the licensing requirements in effect at the time of the reapplication.

SOCIAL SECURITY NUMBER

Your Social Security Number is used to verify your identity for licensing purposes and for compliance with the below laws. **For a license to be issued, you must provide your Social Security Number or your application will be deemed deficient and will not be processed further.** The following laws require that you furnish your Social Security Number to our agency:

FEDERAL LAWS:

42 U.S.C.A. §666(a)(13) requires the Social Security Number of any applicant for a professional license or occupational license be recorded on the application for license; and

If you are a licensed health care practitioner, **45 C.F.R., Part 61, Subpart B, §61.7** requires the Social Security Number as part of the mandatory reporting we must do to the Healthcare Integrity and Protection Data Bank (HIPDB), of any final adverse licensing action against a licensed health care practitioner.

HAWAII REVISED STATUTES ("HRS"):

§576D-13(j), HRS requires the Social Security Number of any applicant for a professional license or occupational license be recorded on the application for license; and

§436B-10(4), HRS which states that an applicant for license shall provide the applicant's Social Security Number if the licensing authority is authorized by federal law to require the disclosure (and by the federal cites shown above, we are authorized to require the Social Security Number).

U.S. CITIZEN, U.S. NATIONAL, OR AN ALIEN AUTHORIZED TO WORK IN THE U.S.

Pursuant to section 436B-10, Hawaii Revised Statutes, all applicants shall be a U.S. citizen, U.S. national, or an alien authorized to work in the United States in addition to meeting the academic, clinical and examination requirements for licensure. Therefore, even if an applicant meets the academic, clinical training and examination requirements for licensure, that applicant shall not be issued a license if that applicant is not a U.S. citizen, a U.S. national, or an alien authorized to work in the U.S.

However, the Board will issue the applicant a conditional approval that signifies that the applicant has met the education, experience, and examination requirements for licensure; provided that this conditional approval shall not be considered a license to engage in the profession and shall not authorize the applicant to work in our State.

To obtain authorization to work in our State, the applicant shall be required to contact the U.S. Citizenship and Immigration Services ("USCIS"); <http://uscis.gov>; U.S. Citizenship and Immigration Services, 1-800-375-5283. Once the applicant submits evidence to the Board that the USCIS has authorized the applicant to work in the U.S. (without conditions or other encumbrances), provides a Social Security Number and has met all of the licensing requirements (including, but not limited to, the requirement that the applicant has not been convicted of any crime that is directly related to the profession), the applicant shall be issued a license.

This conditional approval shall be valid for two (2) years. An applicant must obtain the appropriate USCIS authorization within this two (2) year period in order to have a license issued. If the applicant is unable to meet this deadline, the applicant may be required to reapply for licensure and meet all of the requirements in effect at that time.
