**U.S. CITIZEN,
U.S. NATIONAL,
OR ALIEN
AUTHORIZED TO
WORK IN THE U.S.**

Pursuant to §436B-10, Hawaii Revised Statutes, and federal law, all applicants are required to be a U.S. citizen, U.S. national, or an alien authorized to work in the U.S. This means that even if an applicant meets the education, training and examination requirements for licensure, that applicant will not be issued a license if that applicant is not a U.S. citizen, U.S. national or an alien authorized to work in the United States.

However, the HMB may issue the applicant a conditional approval that signifies that the applicant has met the education, experience and examination requirements for licensure. This conditional approval is not a license to engage in the profession and does not authorize the applicant to work in Hawaii. To obtain authorization to work in the United States, the applicant may contact the U.S. Citizenship and Immigration Services (USCIS) at: <http://www.us-immigration.com>. Once the applicant submits evidence to the HMB that the USCIS has authorized the applicant to work in the U.S. (without conditions or other encumbrances), provides a Social Security Number and has met all of the licensing requirements, the applicant may be issued a license, provided that there is no change in the applicant's status or the information that was originally submitted. The Board may ask the applicant to submit up-to-date documents to determine whether there have been any changes and whether the applicant still qualifies for licensure. The conditional approval is valid for two (2) years. An applicant must obtain the appropriate USCIS authorization within this two (2) year period in order to have a license issued. If the applicant is unable to meet this deadline, the applicant may be required to reapply for licensure and meet all of the requirements in effect at the time.

**CERTIFICATION
OF APPLICANT**

Please read the certification at the end of the application, and **sign and date it.**
