General Renewal FAQs

1. When is the deadline to renew my license?

All Dentist and Dental Hygienist licensees must renew their licenses by **December 31, 2023**, regardless of the date that the license was issued.

2. Can I renew online?

You may renew online at <https://mypvl.dcca.hawaii.gov/>

Licensed dentists who hold a permit to administer general anesthesia, deep sedation, or moderate (conscious) sedation **CANNOT** renew online. All renewals must be submitted via hard-copy regardless of whether you are planning to renew your special privilege or not. You must submit your facility inspection form with your hardcopy form.

If you are switching your license to active/inactive status you **CANNOT** renew online and must request a hardcopy renewal form.

3. How do I request a hardcopy renewal form?

Hardcopy renewal form may be requested 8 weeks before license expiration date by:

- a) Phone: Professional and Vocational Licensing Branch at (808) 586-3000
- b) Email: dental@dcca.hawaii.gov – include your name, license number, and complete mailing address
- c) In-person: King Kalakaua Building 335 Merchant Street, Rm. 301 Honolulu, Hawaii 96813

Hours of Operation: The DCCA will be open 7:45 AM – 4:30 PM (Hawaii Standard Time), Monday to Friday, except state holidays.

4. How early can I submit my renewal application?

Renewals will be accepted from November 6, 2023 to December 31, 2023. We encourage licensees to submit their renewals as early as possible during the renewal period to avoid delays.

5. I was recently issued a license; do I still need to renew and pay fees?

All licenses, regardless of issuance date, are subject to renewal by December 31 of every odd-numbered year.

6. Will I receive a reminder from the board to renew?

The board will send a courtesy renewal reminder postcard mailed out on November 3, 2023 to the latest mailing address we have on file. It shall be the licensee's responsibility to provide written notice to the licensing authority of any change of address within thirty days of the change. (HRS §436B-17).

Please note that the reminder postcard is a courtesy. Pursuant to HAR §16-79-3(a), it is each licensee's responsibility to ensure timely renewal, completion of CE requirements, and the satisfaction of renewal requirements provided by law.

Please be advised that it is almost impossible for DCCA to verify whether or not a licensee has received the postcard reminder. It is not the board's responsibility to track postcard deliveries once they have been mailed out.

7. Do I have to submit CEs to renew?

At the time of renewal, each licensee shall certify on the renewal application that the licensee has satisfied all CE requirements pursuant to HAR §16-79-146.

Please see the CE Requirement section below.

Please do NOT send the board your CE records unless you are requested to do so. The board performs a random audit after the renewal period is closed and all on-time renewals have been processed. Those randomly audited will be contacted with instructions by mail.

8. What are the renewal fees?

Online: 3-5 business days; hardcopy 14-21 business days

10. How will I know whether or not my renewal was successful?

Please check the licensee look-up to monitor whether your renewal was processed. Your license status will reflect that it is, "CURRENT, VALID & IN GOOD STANDING" and the expiration date will be updated to: 12/31/2025.

Please note that you must retrieve and print your pocket ID online via your MyPVL account at: <https://mypvl.dcca.hawaii.gov>. **NO OTHER NOTICE WILL BE PROVIDED.**

11. What if I missed the renewal deadline of December 31, 2023?

Your license will be considered "forfeited." Forfeited licenses be restored within two years after the date of expiration upon compliance with the licensing renewal requirements provided by law and upon written application and payment of all applicable renewal fees, penalty fees, and compliance resolution fund fees (HRS §16-79-3.1).

Virtual CEs will be accepted for this renewal period. These do not need to be synchronous courses. This waiver includes acceptance of virtual BLS courses.

On November 21, 2022, the Board of Dentistry (“Board”) voted to extend its blanket waiver allowing for acceptance of all continuing education (“CE”) courses completed through virtual means due to undue hardship from the pandemic, pursuant to Hawaii Administrative Rules (“HAR”) §16-79-147.

This exemption will only be applied towards the required CE course hours for the biennial renewal period of January 1, 2022 to December 31, 2023. All CE hours will still need to be in the approved categories pursuant to HAR §16-79-141, and shall be taken from approved sponsoring organizations pursuant to HAR §16-79-142, or courses previously approved by the Board pursuant to HAR §16-79-143.

A dentist administering general anesthesia or moderate sedation shall be required to complete the Advanced Cardiac Life Support (“ACLS”) course or if treating pediatric patients, the Pediatric Advanced Life Support (“PALS”) course; provided that both courses shall be completed if the dentist is treating pediatric patients and minors thirteen years or older. The ACLS and/or the PALS course may be completed through virtual means during the biennial renewal period of January 1, 2022 to December 31, 2023.

3. What happens if I am audited for CEs?

Pursuant to HAR §16-79-146, at the time of renewal, each licensee shall certify on the renewal application that the licensee has satisfied all of the CE requirements. In order to determine whether the CE requirements have been met, the Board will conduct a random audit of licensees after all on-time renewal applications have been processed. All selected licensees will be notified by mail and will be required to submit copies of the original documents or evidence of attendance to be attached to the summary form provided by the Board.

4. Waiver or modification of requirements:

Pursuant to HAR §16-79-147, the Board may waive or modify the CE requirements based on the following:

1. Full-time service in the armed forces of the United States;
2. An incapacitating illness documented by a licensed physician;
3. Being disabled and unable to practice dentistry or dental hygiene;
4. Being retired from practice and not performing any dental or dental hygiene services; or
5. Undue hardship or any other extenuating circumstances.

FORFEITURE OF LICENSE

Pursuant to HAR §16-79-3(c), the failure to timely renew a license, the failure to pay all applicable fees, the failure to complete the CE requirements, the dishonoring of any check upon first deposit, or the failure to comply with any other requirement provided by law, shall cause the license to be automatically forfeited.

The Board recommends all practitioners familiarize themselves with licensing laws and rules at their website: <http://cca.hawaii.gov/pvl/boards/dentist>
