Review of License Applications and Recommendations to the Contractors License Board

Mr. Arita read the Applications Committee’s recommendations to the Contractors License Board (“Board”) for the applications on the meeting agenda.

Chad Welday, Welday Services Group inquired about the status of his application. Executive Officer Ito informed Mr. Welday that the Licensing Branch has not forwarded his application to the Contractors License Board because it is incomplete. Mr. Welday requested a follow-up call to explain the deficiency.

Mark Zeller, Zeller Electric Corp stated that his application was deferred and asked what the opportunities are to get his application approved. Executive Officer Ito stated that a letter will be sent to him explaining the reasons his application was deferred. Mr. Zeller asked whether the fact that his application made it on to the Board's meeting agenda mean anything. Executive Officer Ito stated that it means that he submitted the required documents. Executive Officer Shahan added that our Licensing Branch checks that all the required documents are submitted. The Application Committee reviews the content of the documents submitted. Executive Officer Green stated that the deferral letter will be mailed to him in approximately two weeks.

Reed McMackin, Pan-Pacific Mechanical LLC stated that he is the President of the company and asked for clarification of what he needs to do to get his application approved. He asked if the Board is looking for specific field experience or oversight management experience because technically, he oversees all of the work. Executive Officer Ito stated that in general, the Board looks for each applicant's on-site supervision and direction of their own employees.

It was moved by Mr. Alejado, seconded by Mr. Torigoe, and unanimously carried to approve the attached Applications Committee's recommendations.
