Agenda: The agenda for this meeting was posted on the State electronic calendar as required by Hawaii Revised Statutes ("HRS") section 92-7(b).

Minutes: It was moved by Mr. Alejado, seconded by Mr. Torigoe, and unanimously carried to approve the Application Committee Meeting Minutes of May 1, 2023, the Board Meeting Minutes of April 21, 2023, and the Executive Session Meeting Minutes of October 21, 2022.

Committee Reports:

1. Scope of Activity Committee:  
Paul Alejado and John Polischek, Co-Chairpersons

James S. Markiewicz

Requests a determination on: (1) Whether a C-13 Electrical or C-15 Electronic Systems contractor license is required to install a Reporting Security and Fire Alarm System which includes 110v in-line smoke detectors with battery back-up

per submitted drawings and specifications in a new home construction of the Markiewicz Residence, Kaupulehu Lot 22, in Kailua-Kona on the Big Island; (2) Whether an Journey Worker Electrician (“EJ”) or Journey Worker Specialty Electrician (“EJS”) license is required to install a Reporting Security and Fire Alarm System which includes 110v in-line smoke detectors with battery back-up per submitted drawings and specifications in a new home construction of the Markiewicz Residence, Kaupulehu Lot 22, in Kailua-Kona on the Big Island; (3) Whether a contractor is required to perform work in accordance with project plans and specifications pursuant to Hawaii Revised Statutes (“HRS”) section 444-17(5), willful departure from plans or specifications; and (4) Whether a contractor is required to perform work in accordance with Hawaii County Codes – Construction Administrative Code, Chapter 5, Building Code 5A and Electrical Code 5D pursuant to HRS section 444-17(6) willful violation of any applicable law of the State or any county.

Mr. Alejado stated that with regard to question number 1, the Board needs additional information including product data and specifications. With regard to question number 2, it is not within the Board’s jurisdiction to make a determination on this question.

Executive  
Session:

At 9:06 a.m., it was moved by Mr. Polischek, seconded by Mr. Alejado and unanimously carried to enter into executive session to consult with Christopher Leong, Deputy Attorney General, on questions and issues pertaining to the Board’s powers, duties, privileges, immunities, and liabilities pursuant to HRS § 92-5(a)(4).

At 9:17 a.m., it was moved by Mr. Polischek, seconded by Mr. Alejado, and unanimously carried to move out of executive session and to reconvene to the Board’s regular order of business.

DAG Leong stated that questions 3 and 4 are general questions that ask what the law is; there isn’t any specific scope question for the Board to answer. In general, all licensed contractors must follow the contractor licensing statutes and rules. Thus, licensed contractors must comply with HRS sections 444-17(5) and 444-17(6).

Mr. Markiewicz asked if he could submit a Petition for Declaratory Relief (“Petition”) on this matter. DAG Leong stated that he may, pursuant to the requirements to file a Petition. Executive Officer Ito clarified that Hawaii Administrative Rules (“HAR”) section 16-201-48 explains the requirements for a Petition and read HAR section 16-201-48 as follows:

The department or any interested person may petition the authority for a declaratory ruling as to the applicability of any statutory provision or of any rule or order adopted by the authority to a factual situation. Each petition shall state concisely and with particularity the facts giving rise to the petition, including the petitioner’s interest, reasons for filing the petition, and the names of any potential respondents, the provision, rule, or order in question, the issues raised, and petitioner’s position or contentions with respect thereto.

Mr. Markiewicz asked if the Board could review his Petition. Executive Officer Ito stated that the Board does not review Petitions and suggested that he ask his attorney to review it.

Recommendation: With regard to the Markiewicz Residence, Kaupulehu Lot 22, in Kailua-Kona on the Big Island: (1) more specific information on the "Reporting Security and Fire Alarm System" such as the product data and specifications is required before the Board can make a determination on this question; (2) it is not within the Board's jurisdiction to make a determination on this question; and (3) and (4) in general, all licensed contractors must follow the contractor licensing statutes and rules and must comply with HRS sections 444-17(5) and 444-17(6).

It was moved by Mr. Polischek, seconded by Mr. Alejado and unanimously carried to approve the above scope recommendation.

Chapter 91, HRS,  
Adjudicatory  
Matters:

Chairperson Arita called for a recess from the Board's meeting at 9:25 a.m. to discuss and deliberate on the following adjudicatory matters pursuant to HRS chapter 91.

1. Settlement Agreements

None.

2. Board's Final Order

In the Matter of the Application for a Contractors License of David H. Fujikawa, RME; CLB-LIC-2022-002

At its February 24, 2023 meeting, the Board rejected the Hearings Officer's Recommended Order and deferred action on the Board's Final Order.

After discussion, it was moved by Mr. Nishek, seconded by Mr. O'Donnell, and unanimously carried to approve the Board's Final Order reversing the Hearings Officer's proposed decision and to affirm its October 22, 2021 decision denying David H. Fujikawa's application for licensure in the "A" General engineering classification.

3. Petition for Declaratory Relief

In the Matter of the Petition of James S. Markiewicz, Trustee, Joanne C. Markiewicz, Trustee for Declaratory Relief (4-14-23)

DAG Leong stated that the Board reviewed the Petition for Declaratory Relief (4-14-23) ("Petition") and after discussion, is inclined to deny the Petition pursuant to Hawaii Administrative Rules ("HAR") section 16-201-50(1)(A). The Petition fails to conform substantially with HAR section 16-201-48. A declaratory ruling can be sought as to the applicability of any statutory provision or of any rule or order adopted by the authority to a factual situation. The Petition is asking the

Board to confirm the facts that appear in the Railing Systems Hawaii LLC's settlement agreement; this request does not meet the requirements to petition the Board for a declaratory ruling. When there is an alleged violation of a licensing law, that complaint goes to RICO. RICO investigates and prosecutes the complaint. In this case, RICO and the contractor agreed to this settlement to bring a resolution to the complaint. RICO then brings the resolution to the Board and the Board can only approve or reject the settlement that is presented; the Board cannot amend the settlement agreement.

Mr. Markiewicz stated that the Respondent does not admit to violating any law in the settlement agreement. A declaratory ruling issued from the Board would be much stronger than the settlement agreement. The settlement agreement did not take into account the drawings and that the work was not performed according to specifications and drawings. His purpose was to be able to take a formal ruling from the Board to the court. DAG Leong stated that the Board's approval of the settlement agreement is final and there is no further action that the Board can take regarding the settlement agreement.

Mr. Markiewicz asked how he could get the Board to address the work not being performed in accordance with the plans and specifications because it was not covered in the settlement agreement. Earlier today the Board stated that the work must be done in accordance with the plans and specifications; based upon the structural contractor not following the plans and specifications, can he come before the Board to make a declaratory ruling on that. DAG Leong stated that would be something RICO would investigate. Mr. O'Donnell suggested that he work with RICO.

It was moved by Mr. Polischek, seconded by Mr. Alejado and unanimously carried to deny the Petition pursuant to Hawaii Administrative Rules section 16-201-50(1)(A).

Following the Board's review, deliberation, and decisions in these matters, pursuant to HRS chapter 91, Chairperson Arita announced that the Board was reconvening to its open meeting at 10:06 a.m.

Executive  
Session:

At 10:07 a.m., it was moved by Mr. Polischek, seconded by Mr. Alejado and unanimously carried to enter into executive session pursuant to HRS § 92-5(a)(1), to consider and evaluate personal information relating to individuals applying for professional or vocational licenses cited in HRS § 26-9, and to consult with Christopher Leong, Deputy Attorney General, on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities pursuant to HRS § 92-5(a)(4).

At 11:29 a.m., it was moved by Mr. Polischek, seconded by Mr. Alejado, and unanimously carried to move out of executive session and to reconvene to the Board's regular order of business.
