**Attach** the appropriate fee, depending on when license will be issued.

If license is to be issued between July 1, even-numbered year and June 30, odd-numbered year pay.....\$230  
(\$50 - non-refundable application fee + \$130 - license + \$50 - Compliance Resolution Fund)

**NOTE:** *One of the numerous legal requirements that you must meet in order for your new license to be issued is the payment of fees as set forth in this application. You may be sent a license certificate before the check you sent us for your required fees clears your bank. If your check is returned to us unpaid, you will have failed to pay the required licensing fee and your license will not be valid, and you **may not** do business under that license. Also, a \$25.00 service fee will be charged for checks which are returned by the bank.*

*If for any reason you are denied the license you are applying for, you may be entitled to a hearing as provided by Title 16, Chapter 201, Hawaii Administrative Rules, and/or Chapter 91, Hawaii Revised Statutes. Your written request for a hearing must be directed to the agency that denied your application, and must be made within 60 days of notification that your application for a license has been denied.*

**LICENSE VERIFICATION REQUIRED**

Have all jurisdictions where you hold or held a license at any time, complete the attached "Verification of License" form. This "Verification" form may be duplicated as needed. Allow at least 6 weeks for other jurisdictions to complete the form. Some jurisdictions charge a fee for verification service. Contact the appropriate licensing agency for information on requirements. The applicant is responsible for any fees incurred.

**MAINTAINING YOUR LICENSE**

All licenses, regardless of issuance date, **expire on June 30 of odd-numbered years.** Licenses are subject to renewal on or before the license expiration date.

You must report your changes to the Board within thirty (30) days of the changes. All changes must be reported in writing. If you let your license lapse for longer than one year, you must file a new application and meet requirements, including the academic, clinical training and national examination requirements that are in effect at the time of filing.

**LAWS & RULES**

Laws and rules are available online. To obtain a copy of the acupuncture laws (Chapter 436E, Hawaii Revised Statutes) and rules (Title 16, Chapter 72, Hawaii Administrative Rules), send a written request to: Board of Acupuncture, Commerce & Consumer Affairs, P.O. Box 3469, Honolulu, HI 96801. Chapter 436B, Hawaii Revised Statutes, the Professional and Vocational Licensing Act should be read in conjunction with the above statutes.

The laws and rules are also posted on our website at: [cca.hawaii.gov/pvl](http://cca.hawaii.gov/pvl). Look under "Acupuncture".

**ABANDONMENT  
OF APPLICATION**

Pursuant to HRS §436B-9 your application shall be considered abandoned and shall be destroyed if you fail to provide evidence of continued efforts to complete the licensing process for two consecutive years. The failure to provide evidence of continued efforts includes but is not limited to: (1) failure to submit any required information and documents requested by the licensing authority within two consecutive years from the last date the documents and information were requested, or (2) failure to complete any additional requirements for licensure that remain after approval of your application, such as attempting to complete an exam requirement, within two consecutive years from the date your application was approved, or (3) failure to provide the licensing authority with any written communication during two consecutive years indicating that you are attempting to complete the licensing process. If an application is deemed abandoned the applicant shall be required to reapply for licensure and comply with the licensing requirements in effect at the time of the reapplication.

**SOCIAL  
SECURITY  
NUMBER**

Your Social Security Number is used to verify your identity for licensing purposes and for compliance with the below laws. **For a license to be issued, you must provide your Social Security Number or your application will be deemed deficient and will not be processed further.** The following laws require that you furnish your Social Security Number to our agency:

FEDERAL LAWS:

**42 U.S.C.A. §666(a)(13)** requires the Social Security Number of any applicant for a professional license or occupational license be recorded on the application for license; and

If you are a licensed health care practitioner, **45 C.F.R., Part 61, Subpart B, §61.7** requires the Social Security Number as part of the mandatory reporting we must do to the Healthcare Integrity and Protection Data Bank (HIPDB), of any final adverse licensing action against a licensed health care practitioner.

HAWAII REVISED STATUTES ("HRS"):

**§576D-13(j), HRS** requires the Social Security Number of any applicant for a professional license or occupational license be recorded on the application for license; and

**§436B-10(4), HRS** which states that an applicant for license shall provide the applicant's Social Security Number if the licensing authority is authorized by federal law to require the disclosure (and by the federal cites shown above, we are authorized to require the Social Security Number).

**U.S. CITIZEN, U.S.  
NATIONAL, OR AN  
ALIEN AUTHORIZED  
TO WORK IN THE U.S.**

Pursuant to section 436B-10, Hawaii Revised Statutes, all applicants shall be a U.S. citizen, U.S. national, or an alien authorized to work in the United States in addition to meeting the academic, clinical and examination requirements for licensure. Therefore, even if an applicant meets the academic, clinical training and examination requirements for licensure, that applicant shall not be issued a license if that applicant is not a U.S. citizen, a U.S. national, or an alien authorized to work in the U.S.

However, the Board will issue the applicant a conditional approval that signifies that the applicant has met the education, experience, and examination requirements for licensure; provided that this conditional approval shall not be considered a license to engage in the profession and shall not authorize the applicant to work in our State.

To obtain authorization to work in our State, the applicant shall be required to contact the U.S. Citizenship and Immigration Services ("USCIS"); <http://uscis.gov>; U.S. Citizenship and Immigration Services, 1-800-375-5283. Once the applicant submits evidence to the Board that the USCIS has authorized the applicant to work in the U.S. (without conditions or other encumbrances), provides a Social Security Number and has met all of the licensing requirements (including, but not limited to, the requirement that the applicant has not been convicted of any crime that is directly related to the profession), the applicant shall be issued a license.

This conditional approval shall be valid for two (2) years. An applicant must obtain the appropriate USCIS authorization within this two (2) year period in order to have a license issued. If the applicant is unable to meet this deadline, the applicant may be required to reapply for licensure and meet all of the requirements in effect at that time.
