New Business:

a. Legislative delegation for 2024 session

EO Doi explained that the 2024 legislative session will begin soon and would like the Board to select up to two massage therapists with whom she could consult regarding submitting in case bills relating to massage therapy are scheduled for hearing in between Board meetings. a. Rule Revisions – Title 16, Chapter 84, Hawaii Administrative Rules

Chair Nagashima explained that the Board has been working on rule revisions for years and asked that Board members review the draft and come prepared to discuss at the next Board meeting. Chair Nagashima suggested increasing the required education and training hours from 570 hours to 625 hours. Mr. St. Louis suggested increasing the required education and training hours to 800 hours, noting it would increase professionalism and reduce prostitution. Ms. Frankel noted that increasing the number of hours could make it financially difficult for massage schools to continue. Ms. Skoog noted that increasing the number of required practical hours will not help students pass the anatomy portion of the Hawaii massage exam, which is the section of the exam where most applicants fail. She noted that she would be in favor of increasing the number of required anatomy hours. Chair Nagashima also added that the Board consider language regarding exam misconduct.
