The Board considers Dr. Yang's conduct concerning and contrary to the recognized standards of ethics as adopted by the American Medical Association ("AMA").

Specifically, the Board believes that Dr. Yang failed to uphold the following AMA Principles of Medical Ethics:

- II. **A physician shall uphold the standards of professionalism**, be honest in all professional interactions, and strive to report physicians deficient in character or competence, or engaging in fraud or deception, to appropriate entities.

III. **A physician shall respect the law** and also recognize a responsibility to seek changes in those requirements which are contrary to the best interests of the patient. Emphases added.

Federation of
State Medical
Boards (FSMB):

A. Nominations for FSMB Offices and Awards

The Board considered nominations for FSMB elected offices and awards. Service in an FSMB leadership position brings many benefits, notably the opportunity to make a real impact in the direction and policy of a national organization with a vital role in healthcare.

It was moved by Chair Takanishi, seconded by Dr. Jaffe, and unanimously carried to nominate Dr. Jone Geimer-Flanders, the previous Chairperson of the Board, who is running for a second term to serve on the Board of the Federation of State Medical Boards.

By acclamation, the Board voted to nominate Ms. Ahlani Quiogue, the Executive Officer of the Hawaii Medical Board, for the Federation of State Medical Boards 2024 Leadership Award.

Interstate Medical
Licensure Compact
Commission
(IMLCC):

A. Appointment of Commissioner

Chair Takanishi explained that the Board has two voting representatives on the Interstate State Medical Licensure Compact Commission. He reminded members that at a previous meeting, the Board appointed Dr. Jaffe to one of those positions.

Chair Takanishi asked whether any other members wanted to volunteer to serve on the Commission.

Dr. Pratt asked about the time commitment and involvement.

Dr. Jaffe stated that he would follow up with Dr. Pratt.

Executive Officer
Report:

A. 2024 Board Meeting Schedule

Chair Takanishi reminded the Board members to mark their calendars with next year's scheduled meetings.

B. Reminder: Ethics Training

Chair Takanishi reminded Board members that they are required to complete the mandatory ethics training no later than December 31, 2023.

Chair Takanishi asked if there were other matters to discuss.

Ms. Quiogue replied that there were none.

Chair Takanishi thanked the Board members for their hard work and in-depth review of applications. He went on to say that he appreciates the Board members' time and keen interest in protecting the public's safety. He went on to thank the Board's counsel and staff members.

DAG Wong noted that Dr. Sung Yang's hand was raised the Zoom meeting.

Sung Yang, M.D. entered the Zoom meeting as a panelist at 4:22 p.m.

Chair Takanishi welcomed Dr. Yang to the meeting and asked him if he wanted to address the Board.

Dr. Yang thanked the Board members for the opportunity to speak and went on to ask the members if they had reviewed the terms of the Settlement Agreement which he had complied with. Dr. Yang stated that he wanted to be sure that all Board members had reviewed the Settlement Agreement in consideration of his application for a permanent medical license.

He went on to say that he paid \$253,000.00 in restitution and id for a \$250,000.00 fine; additionally, was incarcerated for 18-months in a federal detention center in Texas and lost income for his family and aging parents. He added that he took a Board-recommended online course and reiterated that he fulfilled all of the Boards recommendations per the terms of the Settlement Agreement and wanted to be sure that all of the Board members had reviewed the Settlement Agreement and wanted to know what he could do to practice medicine in the State of Hawaii.

Chair Takanishi reminded Dr. Yang that the meeting would end at 4:30 p.m. per sunshine law. He went on to explain that the Settlement Agreement was provided in the application packet which all Board members reviewed in depth.

Chair Takanishi explained that the Settlement Agreement comes to the Board for acceptance. The Settlement Agreement is entered into by the individual and the Regulated Industries Complaints Office. The terms of the Settlement Agreement does not a guarantee the individual licensure as it stipulates that the individual would need to submit an application for licensure and the Board would make an independent decision after a thorough review of the documents made available to it.

Chair Takanishi explained that it is not within the Board's scope to advise Dr. Yang or provide him options to obtain a license in this State. Chair Takanishi recommended that he seek guidance or legal advice from private counsel.

Chair Takanishi asked the Board's attorney if there was anything to be added to his commentary.

DAG Wong stated that the information provided by the Chairperson is accurate and added that Dr. Yang is welcome to consult with his private counsel as he did when he entered into the negotiated Settlement Agreement in 2022. As Chair Takanishi explained the Settlement Agreement in no way provides an assurance or guarantee that after the surrender of the license that said license would be reissued or reinstated. A surrender of a license is just that, it is a surrender; there is no property interest in the license. An applicant, or this case, Dr. Yang starts from square one. She reiterated that Dr. Yang can seek guidance from private counsel regarding seeking a new license in Hawaii.

Dr. Yang stated that he is shell-shocked by the Board's decision and expressed that he and his family have gone through quite a journey to reach this point. He added that he was told that he did not need to attend the meeting with outside counsel and the Board is now recommending that he seek legal advice. He expressed his confusion.

Chair Takanishi reminded Dr. Yang that per the Sunshine Law the meeting must end at 4:30 p.m. He advised that the Board decided to deny based on the information that was provided to it; he repeated that it is not the Board's role to provide advice and counsel on what to do.

Dr. Yang stated that he could not think of any additional questions and did not have legal counsel by his side.

He related that he understood the Board's position and make decisions independently. He expressed that in no way did he think he was going to be issued a license by meeting the terms of the Settlement Agreement but emphasized again that he met all of the terms.

Chair Takanishi advised Dr. Yang that the meeting was adjourned as it was 4:30 p.m.

Dr. Yang thanked the Board of its time.
