Executive Officer Report:

A. Emergency Proclamation Relating to Wildfires

EO Roldan reported that on January 5, 2024, Governor Green issued the Ninth Emergency Proclamation Relating to Wildfires. The proclamation suspended Hawaii Revised Statutes (“HRS”) section 463-10.5 to the extent necessary to allow out-of-state licensed guards with a current and active license, or those previously licensed pursuant to Chapter 463, HRS, but who are no longer current and active, to engage in the business of guarding statewide without a Hawaii license; provided that they have never had their license revoked or suspended, have not been convicted of a felony within the last five years, and are hired by a Hawaii licensed guard agency who license is current, active, and in good standing.

EO Roldan stated that this proclamation was superseded by the Eighth Emergency Proclamation Relating to Wildfires which was issued on November 6, 2023, and is due to expire on March 5, 2024, unless terminated or superseded by a separate proclamation.

EO Roldan noted that the proclamation only exempts licensure under HRS section 463-10.5 under certain circumstances. All other provisions under HRS Chapter 463 and Hawaii Administrative Rules (“HAR”) Chapter 97 are in effect.

EO Roldan noted that guards using the proclamation to work in the State, must be hired by a Hawaii licensed guard agency, have never had their license revoked or suspended, and have not been convicted of a felony within the last five years. EO Roldan added that licensed Guard Agencies are still responsible for ensuring that they conduct pre-employment and post-hire employment criminal history record checks of county, state, and federal agencies of any individuals hired under the proclamation, pursuant to HAR section 16-97-7(b)(5). Guard Agencies utilizing the proclamation will be held responsible for any non-compliance with the terms of the proclamation.

B. What’s New: OIP’s Six New Opinions

EO Roldan reported that OIP has posted six new opinions on its Opinions page at oip.hawaii.gov., and that no position by the Board is required, as it is provided for informational purposes. EO Roldan

added that OIP Op. Ltr No. F24-03 gives guidance on the Sunshine Law requirements for notice, procedures to enter into executive sessions and permissible discussions and votes during such meetings closed to the public, executive session summaries required by Act 19 that became effective on July 1, 2023, and remedies for violations.

C. Service Members Civil Relief Act (SCRA), 50 USC section 4025a

EO Roldan reported that the Department of Justice's Civil Rights Division issued a letter to notify State Licensing Authorities of a new provision in the Servicemembers Civil Relief Act (SCRA) about the portability of professional licenses for servicemembers and their spouses.

EO Fukunaga added that the law was passed in 2023 and supersedes state licensure requirements. Essentially, if the applicant is able to provide proof of active military orders, has held their license for at least two (2) years preceding their application, and provides proof that they hold an active and unencumbered license in another State, they are entitled to an expedited processing of their license.
