INFORMATION/REQUIREMENTS

DEFINITIONS

No person shall practice physical therapy in this state unless the person is appropriately licensed.

"Physical therapist" means a person who is licensed to practice physical therapy in this State.

"Physical therapy" or "physical therapy services" means the examination, treatment, and instruction of human beings to detect, assess, prevent, correct, alleviate, and limit physical disability, bodily malfunction, pain from injury, disease, and any other physical or mental condition as performed by a physical therapist appropriately licensed under this chapter. It includes but is not limited to:

- (1) Administration, evaluation, modification of treatment, and instruction involving the use of physical measures, activities, and devices, for preventive and therapeutic purposes; provided that should the care or treatment given by the physical therapist contravene treatment diagnosed or prescribed by a medical doctor, osteopath, or as determined by the Board, the physical therapist shall confer with the professional regarding the manner or course of treatment in conflict and take appropriate action in the best interest of the patient; and
- (2) The provision of consultative, educational, and other advisory services for the purpose of reducing the incidence and severity of physical disability, bodily malfunction, or pain.

Hawaii does not reciprocate with any other state or country. Each applicant is required to meet the education and national examination requirements according to Hawaii laws and rules. Licensure requirements are subject to change as a result of new laws or rules, or new policies and procedures adopted by the Department of Commerce and Consumer Affairs ("Department") in cooperation with the Board of Physical Therapy ("Board"). All applicants must meet current licensure requirements.

EDUCATION

Submit proof of one of the following:

- (1) Graduated from a Commission on Accreditation in Physical Therapy Education (CAPTE) accredited physical therapy program. **ARRANGE** with your school or college to send a certified transcript (in the English language) showing graduation date and physical therapy degree conferred, **directly** to the Board.
 - If you have just graduated or will be graduating soon, have your school send the following **directly** to the Board by the application filing deadline:
 - i. An official letter of completion by the license exam date which states that you are in your final year of that physical therapy program and have completed the physical therapy program which at the time of graduation was accredited by CAPTE. This letter must be received in the Board's office first in order to be deemed eligible to sit for the exam.
 - ii. **An official final transcript verifying degree conferred must follow and be received prior to a license being issued; OR**
- (2) Graduated from a school or college of physical therapy located outside the U.S. and that is not CAPTE accredited:
 - You must submit your credentials to a Board approved Credentials Evaluation Service organization. The Board will accept a credentials evaluation report from those organizations listed below. **ARRANGE** to have the evaluation service forward your certified credentials evaluation report **directly** to the Board.
 - **Your credentials evaluation report must comply with Hawaii's requirements; therefore, a report prepared for another state will not be accepted. The report must state that your education is equivalent to an accredited program in physical therapy in the U.S. The evaluation shall be prepared within one year from the date of the application's submission.**

FILING DEADLINE AND EXAM INFORMATION

EXAMINATION

Electronic testing is provided on set dates throughout the U.S. The test center for Hawaii is located on Oahu. To register and obtain information regarding the examination (process, content, fees, etc.), go to: www.fsbpt.org.

After the Board has determined that you are eligible to sit for the exam, the Federation of State Boards of Physical Therapy (FSBPT) will be notified of your eligibility and will send you an Authorization to Test ("ATT") letter.

OR
Effective October 1, 2021:

If applying under the Alternative Approval Process ("AAP"), which only applies to applicants who are graduates of CAPTE accredited programs:

No sooner than 150 days before graduation, the school's program director validates that the student is on track to graduate. After the school "validates graduation," the student can register for the NPTE and is permitted to register for any exam date within 90 days of graduation pursuant to the NPTE policies. Once the student completed the registration, they will receive their authorization to test information and can then schedule and appointment with Prometric. Scores will be sent to the Board after the student completes the test.

Please contact the FSBPT for more details.

(CONTINUED ON PAGE 3)

**EXAMINATION
(cont'd)**

You must sit for the exam within your eligibility period/date as indicated on your Authorization to Test. If you fail to do so, you must contact the Board and re-register for the exam.

Please be advised that effective January 1, 2016, the FSBPT is implementing two new eligibility requirements (in addition to the current requirements):

- (1) lifetime limit of taking the exam a maximum six (6) times (this number is retroactive);
- (2) low score limit of two (2) very low scores will not be allowed to test again.

Please note that the FSBPT's eligibility requirements are not the same as Hawaii's requirements for licensure (pursuant to Hawaii Administrative Rules §16-110-20), however, in order to meet Hawaii's requirements for licensure, all applicants must provide proof of taking and passing the physical therapist licensure examination.

If you have questions about the FSBPT's eligibility policies, please contact the FSBPT directly at: examregistration@fsbpt.org. You may also visit their website at: <https://www.fsbpt.org/>.

EXAM WAIVER

If you have already taken the NPTE and your score meets or exceeds the FSBPT's criterion - referenced passing score requirement **and** you hold or ever held a physical therapy license in the United States **and** you meet the education requirement, the Board will consider issuance of license through the exam waiver provision. Contact the FSBPT Score Transfer Service to have your scores transmitted **directly** to the Board. Only one temporary license will be issued per applicant. A temporary license shall expire within six months of its effective date or be terminated at an earlier date pursuant to §16-110-40(d), HAR including the applicant's failure to pass the NPTE exam. Any request for an extension of a temporary license will require Board review.

Please note: A temporary license shall not be issued to a person who is not a United States citizen, a United States national or an alien authorized to work in the United States.

For more information on the requirements for temporary licenses, please refer to §16-110-40, HAR.

**AGE OF MAJORITY

Reforms in the immigration laws of the United States have led to new requirements for aliens who seek to enter the United States for the purpose of performing labor as a health-care worker, including physical therapists. Federal law mandates that any such alien is inadmissible from the country unless the alien presents a certificate from the CGFNS International, or a certificate from an equivalent independent credentialing organization approved by the Attorney General (See 8 U.S.C. 1182(a)(5)).
