## GENERAL INFORMATION - PHARMACIST APPLICATION FOR EXAM AND LICENSE ALL APPLICANTS

- Licensure requirements are subject to change as a result of new laws or rules, or from new policies and procedures adopted by the Department of Commerce & Consumer Affairs ("Department") in cooperation with the Board of Pharmacy ("Board"). Applicants must meet current licensure requirements.
- 2. It is the responsibility of the applicant to arrange for submission of all required documentation for timely completion of the application. The Department does <u>NOT</u> have an obligation to notify applicants of incomplete documentation. Applicants may contact the Department periodically to monitor the status of their file with regard to the receipt of supporting documents.
- 3. Applications are kept for only two years after filing, after which the Board can discard applications. Therefore, applicants must complete <u>all</u> licensure requirements within two years of filing the application with the Board. Licensure requirements also include payment of all fees. - 4. <u>License verification</u>: If you are licensed, or ever held a license in another state/territory of the United States, and you are <u>not</u> applying for a license via reciprocity or license transfer, you <u>must</u> have your license status verified by that licensing authority. If you are requesting special testing arrangements due to a disability, call (808) 586-2711 immediately to obtain a Disability Certification form which must be completed by an approved professional, and submitted preferably prior to your exam application. Determination of qualification for special testing arrangements will then be made and if so, the type of special testing arrangements to be provided.

No action will be taken to provide special testing arrangements until your exam application has been approved.

- 17. <u>Temporary License</u>: In addition to all of the other requirements, the applicant must first sit and pass the MPJE exam. It is advised that applicants complete all licensure requirements, including the MPJE exam, and be issued a Hawaii license before moving to Hawaii.
- 18. <u>Abandonment of Application</u>: Pursuant to HRS \$436B-9, your application shall be considered abandoned and will be destroyed, if you fail to complete the license process within one year after filing an application or fail to take and pass the examination after becoming eligible to take the examination.

If an application is deemed abandoned, the applicant shall be required to reapply for licensure and comply with the licensing requirements at the time of the reapplication.

**NOTE:** One of the numerous legal requirements that you must meet in order for your new license to be issued is the payment of fees as set forth in this application. You may be sent a license certificate before the payment you sent us for your required fees is honored by your bank. If your payment is dishonored, you will have failed to pay the required licensing fee and your license will not be valid, and you **may not** do business under that license. Also, a \$25.00 service charge shall be assessed for payments that are dishonored for any reason.

If for any reason you are denied the license you are applying for, you may be entitled to a hearing as provided by Title 16, Chapter 201, Hawaii Administrative Rules, and/or Chapter 91, Hawaii Revised Statutes. Your written request for a hearing must be directed to the agency that denied your application, and must be made within 60 days of notification that your application for a license has been denied.
