Executive Officer Report: A. Emergency Proclamation Relating to Wildfires

EO Roldan reported that on May 3, 2024, Governor Green issued the Eleventh Emergency Proclamation Relating to Wildfires. The proclamation suspended Hawaii Revised Statutes (“HRS”) section 463-10.5 to the extent necessary to allow out-of-state licensed guards with a current and active license, or those previously licensed pursuant to Chapter 463, HRS, but who are no longer current and active, to engage in the business of guarding statewide without a Hawaii license; provided that they have never had their license revoked or suspended, have not been convicted of a felony within the last five years, and are hired by a Hawaii licensed guard agency who license is current, active, and in good standing.

EO Roldan stated that this proclamation was superseded by the Tenth Emergency Proclamation Relating to Wildfires which was issued on March 5, 2024, and is due to expire on July 2, 2024, unless terminated or superseded by a separate proclamation.

EO Roldan noted that the proclamation only exempts licensure under HRS section 463-10.5 under certain circumstances. All other provisions under HRS Chapter 463 and Hawaii Administrative Rules (“HAR”) Chapter 97 are in effect.

EO Roldan noted that guards using the proclamation to work in the State, must be hired by a Hawaii licensed guard agency, have never had their license revoked or suspended, and have not been convicted of a felony within the last five years. EO Roldan added that licensed Guard Agencies are still responsible for ensuring that they conduct pre-employment and post-hire employment criminal history record checks of county, state, and federal agencies of any individuals hired under the proclamation, pursuant to HAR section 16-97-7(b)(5). Guard Agencies utilizing the proclamation will be held responsible for any non-compliance with the terms of the proclamation.
