Executive Officer Report:

A. 2025 Board Meeting Schedule

EO Fukunaga reminded Board members to mark their calendars with next year's Board scheduled meetings.

B. Nineteenth Proclamation Relating to Wildfires

EO Fukunaga reported that on December 6, 2024, Governor Green issued the Nineteenth Emergency Proclamation Relating to Wildfires. The proclamation suspended Hawaii Revised Statutes ("HRS") section 463-10.5 to the extent necessary to allow out-of-state licensed guards with a current and active license, or those previously licensed pursuant to Chapter 463, HRS, but who are no longer current and active, to engage in the business of guarding statewide without a Hawaii license; provided that they have never had their license revoked or suspended, have not been convicted of a felony within the last five years, and are hired by a Hawaii licensed guard agency who license is current, active, and in good standing.

EO Fukunaga stated that this proclamation is due to expire on February 4, 2025, unless terminated or superseded by a separate proclamation.

EO Fukunaga noted that the proclamation only exempts licensure under HRS section 463-10.5 under certain circumstances. All other provisions under HRS Chapter 463 and Hawaii Administrative Rules ("HAR") Chapter 97 are in effect.

EO Fukunaga noted that guards using the proclamation to work in the State, must be hired by a Hawaii licensed guard agency, have never had their license revoked or suspended, and have not been convicted of a felony within the last five years. EO Fukunaga added

that licensed Guard Agencies are still responsible for ensuring that they conduct pre-employment and post-hire employment criminal history record checks of county, state, and federal agencies of any individuals hired under the proclamation, pursuant to HAR section 16-97-7(b)(5). Guard Agencies utilizing the proclamation will be held responsible for any non-compliance with the terms of the proclamation.

Audited licensees must submit documentation of their compliance, within 60 days of the date on the letter.

EO Fukunaga noted that the CE course must have been completed between July 1, 2021 and June 30, 2024. If the licensee fails to provide proof of their compliance with the 4-Hour CE requirement, their license will be referred to the Regulated Industries Complaints Office ("RICO").

New Business:

A. Election of Chairperson and Vice-Chairperson

Chief Moszkowicz nominated Mr. Collins for the position of Chairperson. It was moved by Mr. Dolak, seconded by Chief Logan and unanimously carried to elect Mr. Collins as Chairperson.

Mr. Dolak nominated Chief Moszkowicz for the position of Vice-Chairperson. It was moved by Chief Logan, seconded by Mr. Ontai and unanimously carried to elect Chief Moszkowicz as Vice-Chairperson.

B. Legislative Liaison Delegate

EO Fukunaga stated that during the legislative session, a bill or bills are introduced that may require nuanced knowledge of the profession to provide testimony. Oftentimes, the bills are introduced or heard between Board meetings, making it difficult for the executive officer to provide testimony that is responsive to amendments to bills. EO Fukunaga proposed that a Board member be nominated as a legislative liaison to assist with drafting testimony, testifying, researching, etc. on legislative matters proposed during session. In addition, the legislative liaison will

assist the executive officer in clarifying Board positions in-between Board meetings, as hearings on bill and other updates typically occur prior to or after a Board meeting.

It was moved by Chief Moszkowicz, seconded by Mr. Ontai and unanimously carried to nominate Mr. Dolak as the legislative liaison for the 2025 legislative session.

C. Delegation to Board Member

EO Fukunaga stated that historically, the Board has delegated one or two members to review and approve applications on behalf of the Board in between Board meetings. These delegated Board members are allowed to approve applications that meet a specific set of criteria that has been approved by the Board. The delegation to Board members is also a common practice amongst the other Boards and assists with the expedient processing of applications that do not require Board review and discussion.

EO Fukunaga clarified that the delegated Board members would only have the authority to approve applications; only the Board has the authority to deny or condition a license. If a delegated Board member feels uncomfortable with approving an application, they will always have the option to forward that application to the Board for review.

EO Fukunaga added that a list of suggested delegations was provided in the meeting packet. They are as follows:

- Applicant has complied (nothing outstanding, e.g. probation, fine, etc.) with court sanctions/fines, etc.;
- Applicant has provided sufficient evidence of rehabilitation (i.e. letters of recommendation from prior/current employers, supportive letters from members of the community (non-relatives), proof of completion of a substance abuse or anger management program; etc.)
