Committee Reports:

1. Scope of Activity Committee:  
Paul Alejandro and John Polischek, Co-Chairpersons

Naz Senaldi

Requests a determination on whether a contractor's license is required to maintain, service, and repair commercial kitchen packaged equipment such as ice makers, walk-in coolers and freezers, undercounter refrigerators, and reach-in refrigerators. Maintenance and repair services may include cleaning and sanitizing internal components, cleaning coils and drains, and replacing various parts such as water/temperature sensing sensors, expansion valves, compressors, and other internal components of packaged units.

This matter was deferred at the April 25, 2025 meeting pending the submittal of a more detailed description of the "other internal components of packaged units" that are being replaced. Mr. Senaldi stated that other parts vary based on the unit however most frequently changed parts rather than previously listed are thermostats, LCD screens, fans, fan motors, and heating elements.

Mr. Polischek stated that walk in coolers and any unit that has

components such as condensers and piping running to a condenser outside of the unit, requires a C-40 Refrigeration contractor license to service and replace parts.

Recommendation: Based upon the information provided, a contractor's license is not required to maintain, service, repair, and replace parts on a package unit, such as an ice maker, freezer, and refrigerator that plugs into an outlet.

It was moved by Mr. Alejado, seconded by Mr. Polischek, and unanimously carried to approve the above scope recommendation.

The following agenda item was taken out of order.

Media on Hiring Licensed Contractors

Kayla Seztler was present to discuss the Hire A Licensed Contractor campaign.

The Board viewed a draft of the "Pipe Dream" (bathroom renovation) PSA. Executive Officer Ito stated that the Hire A Licensed Contractor website information will be shown at the end of the PSA. The Board discussed whether any amendments should be made to the PSA or if a new PSA should replace the Pipe Dreams PSA.

The guests present at the meeting provided positive feedback on the Pipe Dreams PSA and stated that it conveyed the message that consumers should visit the Hire A Licensed Contractor website.

The Top 10 Tips for Construction Projects published by the Regulated Industries Complaints Office was distributed to the Board. Executive Officer Ito asked the Board if they would like to add any information from the flyer to the PSA. The County of Maui is distributing this

information to Maui residents that are starting to rebuild. The Board was informed that this flyer is posted on the Hire A Licensed Contractor webpage.

Mr. Lau requested that the Hire A Licensed Contractor website address scroll across the bottom of the screen for the duration of the PSA. The Board also requested that the language from the original Hire A Licensed Contractor regarding insurance be added, "Licensed contractors are insured" as a voice over.

Ms. Setzler stated that they will be able to make the amendments requested by the Board. The Board asked to see the finished product before they continue discussion on funding advertising of the PSAs. Chairperson Nlshek inquired why the Spectrum Linear TV does not include FOX which appears to have the highest viewing statistics.

Ms. Setzler stated she will follow-up on whether the Spectrum Linear TV includes FOX. She will also be able to provide the final cost to make the amendments to the Pipe Dreams PSA.
