MEMORANDUM

TO: Association of Unit Owners (AOUO)

FROM: Real Estate Commission (Commission)

SUBJECT: Change of Information on the Condominium Association Registration Application

It is important that the information on your Condominium Association Biennial Registration Application is correct.

Many individuals and groups, including the Commission, legislators, unit owners and board members, condominium managing agents, prospective purchasers, lending institutions and title companies rely on the association registration for current information. For this reason it is important that the information on the registration form remain current and is reliable. Current contact information and addresses are especially important.

The law requires that the AOUO immediately report in writing to the Commission any changes to the information contained in the registration or re-registration application, on the evidence of fidelity bond coverage, or on any other documents requested by the Commission. Failure to do so may result in termination of the registration and require the AOUO to register again and pay additional fees.

Enclosed is a Condominium Association Information Update Form to report changes. Please indicate the change(s) on the enclosed form. Feel free to copy the form and use it for reporting any future changes.

Your continuing cooperation and assistance in these matters are appreciated.
