DCCA, The Real Estate Branch and Covid-19

Effective June 1, 2020, the DCCA is open to the public Monday through Friday, 7:45 a.m. – 12 noon. From 12 noon to close of business, limited DCCA staff will be available for phone inquiries and limited access to email. This truncated schedule will be in effect through July 31, 2020, until further notice.

The Professional & Vocational Licensing Division ("PVL") has created an online application filing that is now available. Please visit our website at http://cca.hawaii.gov/pvl/file-application-form-supporting-documents-and-pay-fees-online/.

Submitted applications may be monitored at: https://pvl.ehawaii.gov/pvlsearch/.

Please wear a facial covering when entering the DCCA to conduct business, maintain social distancing, which now includes just one person in the elevator at a time.

To date, there are no Real Estate Commission or Committee meetings (Laws and Rules Review, Condominium Review, Education Review) scheduled. When the DCCA has established meeting protocols, these regularly scheduled meetings will resume; however, more than likely, via a web-based platform for group meetings, which will allow for individual testimony for applications, if necessary.

The real estate license renewal deadline remains November 30th. Online renewal applications will be available October 2020.

With the state gradually "re-opening," the number of Covid-19 cases is also increasing. Please be aware that schedules of meetings and accessibility of staff may change accordingly.

PSI SERVICES, LLC

MAUI TEST SITE

PSI has set up an alternate test site until Maui College reopens. The Maui College will be reopening in August. There is a possibility that they may open mid-July, but this is not a solid commitment.

PSI has setup a paper/pencil session for Salesperson candidates only. The Broker examination cannot be administered via paper/pencil due to the items that may be worth more than one point.

If your candidates are interested in attending, they may go online to schedule:

July 16, 2020, 8am and 1pm sessions.

Location:

Maui Beach Hotel
OLS Hotels and Resorts
70 Kaahumanu Ave., Kahului, Hawaii 96732

- ✓ We can test up to 30 candidates per session.
- ✓ Social distancing will be followed.
- ✓ Candidates will receive their score report 7-10 days after the date of the administration via email.
- ✓ Candidates must wear a mask from the time they enter the hotel until they exit.
- ✓ Candidates can bring in their own bottle of water.
- ✓ Free Parking.

Track the status of the other test centers by clicking on the following link: https://www.psionline.com/important-notice-update-concerning-covid-19-coronavirus/. Candidates are encouraged to schedule on-line. If a candidate chooses to schedule through PSI's Candidate Call Center, (800-367-1565), they can expect to have longer than usual wait times. Call Centers are open: 5:30 a.m.-8:00 p.m. PDT M-F, 7:00 a.m.-3:30 p.m. PDT Sat-Sun.

- Honolulu continues to test on a regular basis and has been since 4/13/20.
- Big Island started in June.
- Maui plans to start on 7/11/20 at the UH Maui college site as well as a paper and pencil exam on 7/16/20 at the Maui Beach Hotel.
- Kauai is the only site that is not open. They plan to do a paper and pencil test sometime in July and will hopefully re-open in August.

HIGH SCHOOL DIPLOMA REQUIRED FOR TESTING

Effective July 1, 2020, all candidates for a Hawaii real estate license must have earned a high school diploma, or its equivalent, by the time they sit for the Hawaii real estate licensing exam.

The following questions are asked right before the exam is launched and are also printed on the score report.

- 1. Are you taking this examination for the purpose of reinstating or restoring a Hawaii real estate license?
- 2. Are you at least 18 years of age as of the date of this examination?
- 3. Are you a United States citizen, United States national, or an alien authorized to work in the United States?
- 4. Do you have a high school diploma, or its equivalent?

The candidate certifies that all answers to the questions are true.

Licensing exam passed prior to 7/1/2020 submitted with an old license application and received by the Real Estate Branch after 7/1/2020 will be accepted.

Licensing exam passed on or after 7/1/2020 and submitted with the old license application will receive a deficiency notice and the applicant will be required to submit a signed statement that they have a high school diploma or its equivalent.

NEW CATEGORY FOR CE CLASSES

Effective immediately, Continuing Education Providers may offer REC-approved CE courses LIVE, ONLINE, and/or REMOTE-LIVE. The "Live" category includes the traditional CE course, live instructor, live participants, with interaction between instructor and participants. The "Online" category includes a web-based CE course, self-paced progress by the student, with interactive episodes throughout the online course, in order to progress through the entire course. Currently, the interactive component is established at just one interactive episode for each hour of the course. The "Remote-Live" category includes a CE course with a live instructor, live participants, and a course that is offered remotely via webinar-type platforms, such as Zoom.

The CE Elective Course application will reflect the changes in that the "Remote-Live" course category will be included on the application. The CE Online Elective Course application will remain the same.

INTERACTIVITY IN A COURSE

The criteria for interactive events in CE courses has also been updated. There must be an interactive event after each course topic/unit. These interactivities are variable, and may consist of multiple questions/answers, true-false, matching words to definitions, scenarios, etc. In order for the student to progress through the course, he/she should obtain at least an 80% correct score, if there are at least 5 questions for the "quiz." If there are fewer than 5 questions, the score should reflect 100% correct answers of the questions posed. A "final" test at the end of the course should be a summary of the information presented for all topics. The number of questions in the final test may vary between 10-20 questions. The 80% level for correct responses will apply.

While a final exam is not required in order to receive CE credit for Hawaii real estate licensees, the inclusion of a final exam is part of the online process to complete the course.

The new criteria for interactivity in CE courses will be a requirement for the recertification of CE courses, and for new elective courses in the 2021-2022 biennium, which begins January 1, 2021.

UPDATED SALESPERSONS PRELICENSE CURRICULUM

The current Salespersons Prelicense Curriculum (Sales Curriculum) was effective as of 2006. The Sales Curriculum has finally been updated and the updated curriculum will replace the current Sales Curriculum effective January 1, 2021. The current Sales Curriculum may be offered any time this year, but the course must be completed by December 31, 2020, whether it's a class offering or individual registering. Please advise all candidates that studies under the current curriculum must be completed by December 31, 2020. There will be no exceptions granted to this timeline. Should there be an issue with a candidate who fails to complete the current Sales Curriculum by December 31, 2020, the school is responsible to make arrangements with that candidate for completion of the course and receipt of the School Completion Certificate.

The update was completed by Scott Alan Bly, Esq., a Hawaii-licensed attorney, and registered Continuing Education Provider and Prelicense School for the Real Estate Commission.

The 60 hours for the Sales Curriculum remains the same. The curriculum content is updated and includes no major changes in general content. The Hawaii-specific information throughout the Sales Curriculum is now identified with an icon of the Hawaiian flag for easy reference. There are no supplementary articles on various topics which accompanied the current curriculum.

The updated Sales Curriculum and a brief summary of the updates made will be posted on the Commission's website and provided to registered Prelicense Schools and Prelicense Instructors between July 1 and July 15, 2020. This is subject to change due to unforeseen circumstances, should they occur.
