Welcome
2024

IMPORTANT REMINDERS:

IT'S 2024 ... HAPPY RE "NEW"AL YEAR!

It's an even-numbered year and that means it's a renewal year.

Prelicense Schools, Prelicense Instructors, Guest Lecturers, Continuing Education Providers, Continuing Education courses must re-register/re-certify by November 30, 2024, to remain current and in compliance. Be sure to visit our "Forms" section on our website.

The real estate license renewal deadline for all salespersons, brokers, and entities is also November 30, 2024. Online renewal will be done via their MyPVL accounts: mypvl.dcca.hawaii.gov, and will be available mid-October.

Licenses are encouraged to begin taking their 20 hours of continuing education courses. Complete electives courses and Core A NOW!!

FOR PRELICENSE SCHOOLS

Note that all real estate SALESPERSONS who received their license in the even-numbered year of the biennium, 2024, are NOT required to complete the 20 hours of continuing education (CE) to renew their license on a current and active status. THIS DOES NOT APPLY TO NEWLY LICENSED real estate BROKERS who received their license in 2024.

Questionable Background Issues:

Make all students aware that the "Request for Preliminary Decision Application" ONLY applies to those with a questionable background issue(s). Questionable background issues include, but are not limited to, criminal convictions (felony, misdemeanor, or court martial), or any civil/administrative/government action, including DUIs, drug/alcohol issues,

abuse situations, tax liens, unpaid tax obligations, judgments, unpaid judgments, disciplinary action (for another licensing area or from another state or country), applicants currently serving parole or probation, violations of administrative laws/court orders/government sanctions, etc.

IF the student does have a questionable background issue, they may be interested in reviewing and possibly applying for the Request for Preliminary Decision Application before investing additional time and money on the licensing process.

Avoid Education System errors:

You may only offer a course that has been registered/re-registered with the Commission. Be sure your course has been registered/re-registered prior to offering.

Upon completion of a course, be certain you are adding the attendee information to the correct course and double-check that the month and year of completion are correct. There have been too many instances when the licensing examination and/or the application for licensure have been questioned and nearly rejected due to incorrect dates being entered.

School Completion Certificates:

As many of you have transitioned to electronic communication and are now providing School Completion Certificates via email, please be sure your students are aware they will be receiving their School Completion Certificates from you electronically.

MyPVL Account:

Students should only “register” once for a MyPVL account and should use the same MyPVL account from prelicense to licensure. This will avoid duplicate accounts, emails, passwords, etc. Students are encouraged to use their personal email, not an email affiliated with an employer. This will avoid being locked out of their MyPVL account should they leave that employer and no longer have access to that email.

Highlight the importance of MyPVL accounts and its functions. Licensees will need to visit their account time and again to renew their licenses every even-numbered year (whether on active or inactive status). Their MyPVL account provides access to their CE history, their license status, the ability to update personal information, and to print their pocket IDs and wall certificates (if applicable).

Remind licensees pocket IDs and wall certificates will not be mailed to them. Licensees will obtain their pocket IDs and wall certificates by printing them through their MyPVL account. Printing directly from MyPVL is free. Printing of wall certificates is only accessible to active licensees.

This information should be disseminated to all students when they take prelicensing courses:

1. Students shall register for the prelicensing course using their legal name as stated on their government-issued ID. This will avoid the incorrect name from being printed on their school completion certificate and will enable the student to schedule their exam with PSI without incident/rejection.
2. Prelicense instructors should clearly emphasize that broker candidates must apply for and receive a broker experience certificate (BE) from the REB prior to sitting for the broker licensing exam with PSI. Without an approved BE, a candidate who successfully passed an exam will not have the passing examination honored.
3. Prelicense instructors should clearly emphasize to broker candidates the importance of completing their broker experience (BE) application and their Experience Certification Statement(s) correctly. Make sure correct dates of employment and the correct number of weeks of full-time experience are entered on their Experience Certification Statement(s) that accompany their application for BE. Incorrect applications or required documents will result in rejection and/or delays.
4. Prelicense instructors should remind broker candidates to read the BE application instructions in its entirety. Please note that original signatures are required; DocuSign is not acceptable.

FOR CONTINUING EDUCATION PROVIDERS

Note that all real estate SALESPERSONS who received their license in the even-numbered year of the biennium, 2024, are NOT required to complete the 20 hours of continuing education (CE) to renew their license on a current and active status. THIS DOES NOT APPLY TO NEWLY LICENSED real estate BROKERS who received their license in 2024.

20 hours of CE should be completed by the November 30th renewal deadline. If CEs are not completed by this renewal deadline, licensees jeopardize their license status come January 1, 2025. The November 30th deadline provides enough time for processing of renewal applications.

Avoid Education System errors:

You may only offer a course that has been registered/re-registered with the Commission. Be sure your course has been registered/re-registered prior to offering.

Upon completion of a continuing education course, be certain you are adding the attendee information to the correct course ID number.

When entering course completion information, please double-check that the correct course dates are entered AND the correct biennium is credited, especially for “make-up” credits.

MyPVL Account:

Highlight the importance of MyPVL accounts and its functions. Licensees will need to visit their account time and again to renew their licenses every even-numbered year (whether on active or inactive status). Their MyPVL account provides access to their CE history, their license status, the ability to update personal information, and to print their pocket IDs and wall certificates (if applicable).

Remind licensees pocket IDs and wall certificates will not be mailed to them. Licensees will obtain their pocket IDs and wall certificates by printing them through their MyPVL account. Printing directly from MyPVL is free. Printing of wall certificates is only accessible to active licensees.

This information should be disseminated to all licensees when they take CE courses:

1. Licensees should confirm their information, specifically their real estate license number, is correct when registering for a CE course(s). This will ensure that the proper courses and credit hours are reported to the licensee's education portal.
2. A CE Provider has 10 days to post a course completion. Licensees should be made aware of that timeline and if a course is NOT posted, the licensee should check back with the CE Provider to ensure it was not overlooked.
3. Licensees may access their CE information via their MyPVL account at <https://mypvl.dcca.hawaii.gov/> . Once logged into their MyPVL account, click on their license number. Next, click on the tab "RECE" (Real Estate Continuing Education), then on the "View CE History" tab. Here licensees will be able to view their history of courses completed and reported to the Commission.
4. Please remind licensees there are a few glitches occurring within the CE History component of MyPVL, and encourage them to refer to the article "MyPVL Glitch Affecting CE History" in the upcoming February 2024 Real Estate Bulletin. They may also access publication of the Real Estate Bulletin on our website: www.hawaii.gov/hirec.

MYPVL GLITCH AFFECTING CE HISTORY

Our office has been made aware there are glitches occurring within the CE History component of MyPVL, and we are working hard to get it resolved as quickly as possible. So, what's the glitch? Well, there are 3 issues you should be aware of:

- 1) When you log into your MyPVL account and view your CE History using the "RECE" tab, there is conflicting information. You will see the line item "Credit Requirements for 2025-2026 biennium" but the column below it displays "2022." The column should read "2024."

The screenshot shows the 'License Details' page with the 'RECE' tab selected. A table titled 'Credit Hours Requirement for 2025-2026 biennium' is displayed. The table has four columns: '2022', 'Credit Hours', 'REQUIRED', and 'EARNED'. The '2022' column is highlighted with a red arrow. The table contains two rows: 'CORE' with 6 required hours and 0 earned hours, and 'ELECTIVE' with 14 required hours and 0 earned hours. Below the table is a 'View CE History' button.

2022	Credit Hours	REQUIRED	EARNED
	CORE	6	0
	ELECTIVE	14	0

- 2) On that same page, you will see the "EARNED" column. In this instance the Earned column reflects this licensee has already earned 6 Core credits and 14 Elective credits. However, this information is incorrect, because Core B has not yet been made available as of this publication. Please do not rely solely on the information displayed on this screen as confirmation of CE credits earned for the 2025-2026 biennium.

The screenshot shows the same 'License Details' page as above, but with the 'EARNED' column values highlighted in a red box. The 'CORE' row shows 6 earned hours, and the 'ELECTIVE' row shows 15 earned hours.

2022	Credit Hours	REQUIRED	EARNED
	CORE	6	6
	ELECTIVE	14	15

- 3) Lastly, when you click on the blue “View CE History” at the bottom of the “RECE” tab, you are brought to the table shown below. For some, the table may reflect that you earned the necessary hours as highlighted below. Again, this info may be incorrect:

To be active in the 2025 - 2026 biennium		
2024	Credit Hours Required	20.00
	Core	6.00
	Elective	0.00
2024	Credit Hours Earned	21.00
2024	Credit Hours Needed	0.00
	Core	0.00
	Elective	0.00

In our November 2022 Real Estate Bulletin, we included an article urging licensees to manually count the number of CE credits for the respective biennium versus relying on the aforementioned tables/areas. For the credits to count for the upcoming 2025-2026 biennium, the “Biennium” column below must reflect “2024.”

Count the number of electives,
Core= 6 credits
Electives= 14 credits

Biennium= 2024

Course ID	Subject	No. Credits	Certificate No.	Biennium	Course Type	Credit Earned Date	Make-up Credit
